NORTH CAROLINA STATE HIGHWAY PATROL

THIS IS the Christmas card which patrolmen will hand out between now and Christmas. The patrol is anxious to cut down on the number of accidents of the last Christmas season.

Scheidt Asking For Legislation Of Blood Tests

RALEIGH (AP)—Legislation on the use of blood tests for drunkenness in the trial of drunken driving cases is still necessary, Motor Vehicles Commissioner Ed Scheidt said.

A recent Supreme Court decision that the tests were "competent evidence" in such cases will have "no effect at all" on his plans to ask for a new law, Scheidt said.

The motor vehicles commissioner's proposal would write into law these provisions on chemical blood tests:

1. A blood alcohol content of .05 per cent or less "shall be prima facie evidence" that the defendant was not drunk.
2. More than .05 but less than .15 per cent "shall be relevant evidence" but not prima facie evidence on whether the defendant was under the influence of liquor.
3. A percentage of .15 or more "shall be prima facie evidence that the defendant was under the influence of intoxicating liquor."

Patrolmen Start Handing Out Their Christmas Cards

Canton High Dramatics Group To Give Play

The Dramatics Class of Canton High School will present a Christmas play, "This Strange Night," on Tuesday, December 18, at 7:30 p.m. in the school auditorium. Admission will be 25 and 50 cents.

The cast includes Martha Whittier as Esther, Bob Henson as Matthew, Perry Haney as Marcus, Jerry Raxter as Asa, Jack Keith as Joseph and Dee Cole as a courier.

Miss Mary Gillis is director.

Following the play, a program will be presented by choral groups.

If a highway patrolman stops you between now and Christmas, it could be for several reasons, even including that of handing you a special patrol Christmas card.

Cpl. Pritchard Smith said the patrolmen started handing out the cards Saturday and would continue until Christmas. The card has a picture of Santa in a patrol uniform, and an appropriate message.

A large number of the cards will be handed out on Friday, December 21, when a checking station is established here in the county, somewhere on Highway 19. There, every vehicle will be stopped, the driver's license checked, and a Christmas card handed the driver.

Legion Auxiliary Will Meet Tuesday

The Auxiliary of the American Legion post here will hold its December meeting at 7:30 p.m. Tuesday at the home of Mrs. Robert Hall on Keller St.

A Christmas program is planned for the meeting.

Wrong Raise

DALLAS (AP)—Dallas County Commissioners had to reconsider the pay raises they voted for three assistant district attorneys.

Through error, the assistants were officially raised to a salary of \$1,300 a month. That's more than the Commissioners make. The clerk didn't make the proposed raises to read "bi-monthly" as they should have.

WTHS Students Enter National Science Contest

Twelve students from Waynesville Township High School have entered a national science contest sponsored by Current Science and Aviation. Prizes will be given to students who select the 10 Best Events of 1956.

Students who entered from Mrs. Y. F. Burgess' biology class were: Gene McGaha, George Stretcher, Gary Todd, Jack Atkins, Jack Siler, Jimmy West, Herbert Gibson, Virgil Messer, Joyce Coward, and Gail Kirkpatrick.

Students who entered from the electronics class were: T. J. Stevens, and Kenneth Fugate.

Army Tape Is Cut

DETROIT (AP)—A woman worker won \$220 for a suggestion that did away with 46 million inches of tape at the Army Ordnance Center here. Mrs. Ruby Finch helps keep tab on automotive spare parts. But she got tired of all the paper work that came in from Army ordnance posts.

She suggested that much of the information be consolidated on separate 150-inch tapes. The Army said her idea would save \$9,000 a year in tape.

Although an umbrella is used mostly for protection against rain, the Latin derivation of "umbrella" is "shade from the sun."

Approval Given For Sylva Radio

WASHINGTON (AP)—The Federal Communications Commission has granted an application for a new radio station to Harold H. Thoms, Sylva, 1480 kilocycles, five kilowatts, daytime. The grant was conditioned on Thoms' divesting himself of all interest in either station, WISE, Asheville, or WM MH, Marshall.

defensive back—Henry Capps. We are very proud of these boys.

Our basketball game with Canton has been postponed to February 19. It was scheduled for Friday night.

Most of the rooms have taken on an appearance of Christmas with all the decorations and trees. We will be out of school the 19th and come back January 3, 1957. The majority of the rooms have parties planned and are waiting for the day to have them.
