

# Bill Calls For Five Feature Shows Next Week

Duplin brings theatre goers a special treat next week a variety of five feature pictures offered with Lyle Talbot and Ann Dvorak opening the bill Monday and Tuesday "Murder In The Clouds."

Josephine Hutchinson, who recently made her bow on the screen in "Happiness Ahead," but who has long been famous for her work with Eva La Galliano in the Civic Repertory Theatre, heads the all star cast, in the role of the beautiful young wife.

Colin Clive is the husband and the brother is played by George Brent.

Peggy Wood, the musical comedy star, plays the part of the nurse who accuses the wife of murdering her husband. Henrietta Crossman, famous on both stage and screen, appears as the mother of the two brothers while C. Aubrey Smith, is the army major, a friend much involved in the family affairs. Leo G. Carroll is the family physician.

"Lady By Choice," co-featuring Carole Lombard and May Robson, with Roger Prior and Walter Connolly in support, will head the bill for Friday only.

This new Columbia film presents

## B. F. Grady News Items

## Mr. Burness E. Moore Receives Honor

### IS SON OF FORMER WARSAW MAN

Burness E. Moore, a graduate of Emory University, will receive a special scholarship awarded by the Lewis H. Beck Foundation for two years graduate study at any university in the world according to an announcement Thursday by Mrs. Miriam Waters Jenkins, executive secretary of the Beck Foundation.

The scholarship, open to graduates of Georgia Colleges, is valued at \$2,000 and runs for two years. It is renewable at the end of the second year, if a longer period is required to complete the course of study. Moore is the son of Mr. and Mrs. C. D. Moore of Thomasville, Ga. He received his Bachelors Degree in 1933 and is now in the graduate school. He is a member of Phi Beta Kappa and Alpha Epsilon, scholastic societies, and the Alpha Tau Omega social fraternity. Moore is a graduate assistant in the biology department at Emory. He is planning to study medicine at the University of Michigan or Harvard University, and later to specialize in psychiatry.

This article will be read with interest by relatives and a host of friends. Mr. Charlie Moore, father of Burness E. Moore, was a former resident of our town and is very pleasantly remembered.

## We Put Your Mind At Ease

There's not one man within the hearing of this paper's circulation who wouldn't fall in love with the styling of these Spring suits.

But, like one man we talked with this week, maybe you're worrying about that ever present problem . . . the cost.

He said to us "Sure, I like the suits . . . who wouldn't . . . but can I afford them . . . are they too rich for my income?"

We're telling you what we told him.

"You certainly can AFFORD THESE FINE SUITS FOR DON'T YOU REALIZE THAT WHEN YOU CAN'T THAT WE'LL HAVE TO GO OUT OF BUSINESS."

Stadium Spring Suits from —  
**\$15.00 to \$29.50**

**H. Stadiem**  
Kinston's Leading Clothier Since 1903

Rev. and Mrs. Lonnie Powers of Beulaville and daughter, Mary

# WHY USE Dixie Fertilizers

## Here are the reasons given by some of those using DIXIE last year

I shall use DIXIE fertilizer next year entirely for I am sure it is the best fertilizer I have used in my 40 years of farming. J. R. WILLIAMS, Seven Springs, N. C.

Because of my complete satisfaction this year with DIXIE fertilizer, I shall use it again next year and will be glad to recommend it to everyone. LEE MILLS, Richlands, N. C.

One of my tenants sold his tobacco crop this year, raised with DIXIE Bright Leaf, for \$556.80 per acre. I shall use more DIXIE fertilizers next year as I am satisfied that regardless of price no better fertilizer can be made. M. N. SMITH, Deep Run, N. C., R. F. D. No. 1

Using DIXIE Bright Leaf this year, I raised 1120 pounds of tobacco to the acre at an average of 38c or \$425.60. I made as good a crop as I have ever made and intend to use the same fertilizer another year. J. C. HOOTEN, SR., Kinston, N. C.

Your DIXIE Bright Leaf grew for me the best crop of tobacco I have raised in nine or ten years, averaging over \$400.00 per acre and I shall use it under my entire crop next year. E. B. COLIE, LaGrange, N. C., R. F. D.

My crop, raised with DIXIE Bright Leaf, sold for an average of \$90.00 per acre more than that raised with a competitive brand of fertilizer. This fertilizer is all you claim it to be and I shall be glad to recommend it to anyone. JAKE W. DAWSON, Kinston, N. C., R. F. D.

Your DIXIE Bright Leaf produced an excellent crop of bright, smooth, trash-free tobacco. I shall be glad to recommend it to my friends as I expect to use it again next year. E. B. BYRD, LaGrange, N. C.

Your DIXIE Bright Leaf not only produced more pounds of tobacco per acre but sold for an average of four cents a pound above my crops grown with fertilizers of two other well known manufacturers. It is the best fertilizer made regardless of price. W. E. BIZZELL, Seven Springs, N. C.

I am so well pleased with the results obtained from your fertilizer that I shall use it one hundred per cent next year. H. T. GRAY, Kinston, N. C., R. F. D. No. 2.

I am so well satisfied with the results obtained from your DIXIE Bright Leaf that I do not hesitate to recommend it to everyone. D. F. WOOTEN, Mayor of Kinston.

Your DIXIE Bright Leaf fertilizer produced the most outstanding crop of tobacco that I have raised during the past thirty years and I shall use it under my entire crop next year. A. T. SUGG, LaGrange, N. C., R. F. D. No. 2.

My tobacco raised with DIXIE Bright Leaf averaged \$92.00 more per acre than that raised with another fertilizer and is the best tobacco fertilizer I have ever used. I shall use it 100% next year. M. F. WALLER, Deep Run, N. C., R. F. D. No. 1.

I used five different brands of fertilizer under 122 acres of tobacco and while I am entirely satisfied with results from all of them I really feel that Dixie Bright Leaf was the most satisfactory and intend to use a larger per cent of it next year. CURRIN HOWARD, Deep Run, N. C., R. F. D. No. 1.

I find your DIXIE Golden Crown 3-8-5 tobacco guano as fine a guano as I ever used and expect to use it exclusively next year. J. B. SMITH, LaGrange, N. C., R. F. D. No. 3.

Being the operator of a warehouse as well as a farmer, I naturally pay much attention to the quality of my tobacco. I am satisfied that DIXIE Bright Leaf is the best fertilizer that I have ever used and it is a pleasure for me to recommend it to my farmer friends. R. E. SHEPPARD, Kinston, N. C.

I am completely satisfied with the results obtained from the use of your DIXIE fertilizers and shall use even more of them next year than I did last year. B. F. POLLOCK, Trenton, N. C., R. F. D. No. 2.
