NATIONAL CHAMPION TO CHOP HERE

Peter McLaren, who claims the wood chopping championship of America will stage a log cutting contest and demonstration here on Saturday, September 14th, at 10:00 a. m.

This contest has been arranged by J. A. Smith, who is to be congratulated for arranging for the visit of this colorful champion. McLaren, whose wizardry with an axe has carried him from a poor farm lad in Australia, to the peak of his profession.

In chopping tours covering a score of years he has chopped before hundreds of thousands, both here and abroad. McLaren who is nearly 50 years old claims that out door chopping is a great physical developer. His own condition bears out this claim.

The contest is open to any local man who has not previously competed against McLaren. A prize of fifty dollars will be paid to any contestant if McLaren fails to chop through a log in two thirds of the time the contestant takes. The handicap gives all good chop-

pers a sporting chance to win the prize money, as it is just like giving 33 yards in a hundred yard dash.

The only restriction made is that no contestant be permitted to use a Plumb Axe. This is the only axe which McLaren himself uses and he refuses to chop against a Plumb Axe, and also allow the handicap.

Everyone is cordially invited to attend the demonstration. Choppers wishing to compete, should bring their axes with them. It costs nothing to enter the contest.

The annual revival at the Methodist Church will begin Sunday night at 8:00 o'clock. The pastor, Rev. G. W. Blount will do the preaching. He is a good Gospel Messenger and the public is extended a cordial invitation and will receive a warm welcome.
