

FOOTBALL CONFERENCE OFF

At a meeting held in Warsaw Monday night, presided over by Coach "Red" Whelanant of Mt. Olive, it was decided that the formation of a football conference for this season would be impossible.

fact that several of the schools invited to enter have already adopted their season's schedule. Schools represented at the meeting Monday night were Warsaw, Wallace, Mt. Olive, Smithfield, Burgaw, Dunn, La Grange and Selma.

35 Yard Touchdown Jaunt By Knowles Features Warsaw's 28 to 6 Victory Over Burgaw

Warsaw high school continued its victorious football march Friday afternoon by defeating Burgaw high school on the Burgaw field by the score of 28 to 6. In winning her second, straight victory, Warsaw flashed a dazzling aerial attack that swept her opponents off their feet.

Warsaw's first touchdown came on a brilliant end run by Knowles. Knowles ran fully 35 yards on his touchdown jaunt. The second touchdown came as a result of a well executed pass from Pridgen to Hill.

This pass and run netted 20 yds. Pridgen reeled off the third touchdown on an off tackle thrust. Pridgen picked up 8 yards and 6 additional points for Warsaw on this trip. West snagged a pass from Pridgen and stepped across the goal line for Warsaw's fourth and last touchdown.

Burgaw's single counter came in the third quarter, after recovering a Warsaw fumble, Burgaw kicked out of bounds on Warsaw's 1 yard line. Pridgen's punt was returned to Warsaw's 25 yard line. From that point Burgaw hammered across Warsaw's goal line for a touchdown. Murray led this touchdown drive for Burgaw.

Features of the game were the passing and running of Pridgen, the running and pass receiving of Knowles, and the pass receiving of West and Hill. Frederick and Black more led the line play for Warsaw. Murray, Myers and Robins were best for Burgaw. Murray proved to be an especially hard charging ball carrier.

Statistics of the Game. Warsaw—Score 28, passes attempted 30, passes completed 20, passes intercepted 1, yards gained on passes 250, yards gained by rushing 50, yards lost from scrimmage 2, punts 1, average yards of punts 30, first downs 14. Burgaw—Score 6, passes attempted 5, passes completed 0, passes intercepted 3, yards gained on passes 0, yards gained by rushing 0, yards lost from scrimmage 20, punts 3, average yards of punts 25, first downs 4.

Regular air service around the world is planned in four years.

Dennis Makes Debut At Warsaw With Two Wins

With the opening of school on September 9th, Coach Dennis began his coaching career in the Warsaw High School. He succeeds T. S. Cheek who is at present Coach of Wilson High School. Dennis is a graduate of Newberry College, and while attending that school he played end on the football team for three years. This is the first year Dennis has coached and he has made a very fine start. The record of his team so far this season is two victories and no defeats. His team has scored 47 points against the opposition 6 points, and has rolled up 23 first downs to 5 by the opponents.

The chief handicap Dennis has to overcome is the lack of numbers. His squad is made up of only eighteen boys. These boys, however, are experienced high school players. Coach Dennis has a line that averages about 155 pounds and a backfield that averages 145 pounds. His starting line up is made up of Hill, Middleton, Merritt, Freerick, Garritty, Southernland and Britt in the line, and Pridgen, Knowles, West and Pecora in the backfield. These boys are supported by the following very able reserves: Pridgen, Hines, Pecora, Hales, Taylor and Sheffield in the line, and Blackmore, Best and Johnson in the backfield. All the reserves are showing rapid improvement and the regulars are really having to hustle in order to hold their positions.

On the offense Warsaw features a hard running game combined with a flashy aerial attack. This offense is ably supported by a stone wall defense. So far this season, Warsaw has rolled up 23 first downs to 5 by her opponents.

Warsaw's passing attack is built around Pridgen, a large, rangy youth who flings long passes and flips short ones with uncanny accuracy. In addition to his passing, Pridgen is a good, shifty runner and does most of the kicking for the Warsaw team. Frederick and Hill have led in line play so far this season. Hill is a good defensive end and a fine pass receiver, while Frederick is a tower of strength, both as defense and offense. He has made many hard, clean tackles for his team this season.

In the first game of the season, Warsaw, defeated Wallace 19 to 0 and last Friday Warsaw won over Burgaw 28 to 6. In this game all the boys showed great improvement, and the aerial attack clicked to perfection. The whole squad is

rapidly rounding into form and gives promise of being one of Warsaw's best and she has had some mighty good ones. Only two boys are on the injured list, and their injuries are minor ones. Coach Dennis hopes to have them in shape by game time Friday afternoon.

On Friday afternoon of this week Coach Dennis takes his team to Kinston to meet the boys of Granger High School of that city in what may prove to be one of the toughest games of the season. Coach Dennis is highly hopeful of taking this game and registering his third straight victory. Kinston is a very worthy foe and will test the strength of the Warsaw team to the fullest. However many are of the opinion that if the boys continue the fine play they have shown so far this season and continue their rapid improvement, they have a better than even chance to add Kinston to their list of victims.

Congratulations to Coach Dennis for the splendid start he has made this season and best wishes for the continued success of the Warsaw team!

Big Double Circus Has Vast Program

The world's newest big show, the Cole Bros.-Clyde Beatty Circus fresh from a five year European tour will exhibit in Goldsboro, Friday, October 11th.

The No. 1 advertising car, the first of three in advance of the Colossus of any amusements, is now in this vicinity. Billposters, bannermen, lithographers, radio

men and press agents are heralding the great event, and soon everyone will be planning for a gala visit to the world's largest "big top," the center of the biggest canvas city ever assembled to thrill, entertain and amuse a great and discriminating populace.

Traveling on three trains of double-length steel railroad cars, the giant of super-circuses will bring 1080 people, 812 menagerie animals, five herds of elephants and 500 horses.

Pre-eminent features is Clyde Beatty, trained wild animal exhibition. Beatty is acknowledged to be the greatest wild animal trainer of all time.

There are 400 performers including the famous Nelson family of acrobats, the Imperial Harolds; the Flying Thrillers; Allen King and his cage of fury; Harietta, the famous equestrienne, and 60 internationally celebrated and beloved clowns. The Cole Bros.-Clyde Beatty horse fair has become a feature amazing in its appeal throughout the North American continent.

The big holiday will be ushered in with an immense street parade

Basketball Slants

King Basketball—king of sports in Duplin County—is awakening and beginning to stir around after his spring and summer of rest. He seems to have visited several county schools already and appears about ready to visit others at an early date. He had a very big year in Duplin County last year, and from all early reports and advance notices, he seems to be headed for another big year. Every one seems to be eagerly and anxiously awaiting His arrival. Here is wishing Him a hearty welcome and a very successful season.

Convicts Use Mules To Escape

Durham Grady, of near Seven Springs does not like to furnish mules for the public to ride unless the users are willing to pay for the privilege. Such was his experience a few days ago when an escaped convict passing through his pasture, took a bride from one of the tobacco barns, caught one of Durham's mules, and made his escape on mule back. The mule seemed to be unwilling to associate with the convict and soon returned to the Grady home. The convict had to continue on foot, and in a short time walked face to face with a posse of officers that he was not wanting to meet. We feel that any convict wishing to borrow a mule should first see the owner of the mule and get his permission to use his beast.

Last week, 2242 tobacco farmers in Pitt County were delivered \$102,082.22 in rental checks for cooperating in the AAA tobacco program.

Improving Roads in Smith and Albertson

The construction unit of the State Road System has been active in Albertson and Smith's Townships this past week. The road from Kornegay on toward Seven Springs has been widened and scraped into good condition. The Smith Chapel road is under repair this week. The road is being plowed up and widened and repairs made where needed. New bridges are being put in which has made a detour necessary practically all week. These roads have been in need of repair for a good while and those who have to travel these roads welcome this repair work.

This year is seen as best for automobile industry since 1929.

Wilson High Beats Wallace Eleven To Tune Of 33 To 3

FOOTBALL MENU FRIDAY Warsaw-Granger in Kinston SATURDAY College Games Virginia-Davidson - Charlottesville Carolina-Tennessee - Knoxville, Tenn. State-S. Carolina - Columbia Clemson-Wake Forest - Clemson College, S. C. Duke-Washington & Lee - Richmond.

A much heavier and more experienced Wilson High School team defeated Wallace 33 to 0 Friday afternoon on the Wilson High School football field. Coach Carson's boys fought courageously but were crushed by overwhelming odds. The Wilson High team is coached this year by T. S. Cheek, former Warsaw High School Coach. Mr. Cheek says he has an abundance of good material and that there are very bright prospects for a fine Wilson High team this year.
