PET OAK COAL HEATER

Air tight doors, reversible pipe collar, blue steel body, full nickel trim.
13 inch size — \$10.00
15 inch size — \$12.50

LOW MODEL HOT BLAST

An improved heater that works perfectly with pipe connected to fireplace. The down draft insures complete combustion of coal and saves fuel. Easy to keep fire all night.

12 inch size — \$14.00
14 inch size — \$16.50

PARLOR HEATER FOR WOOD

Full nickel trim with heavy cast iron top, bottom and front. Large feed door in front, swing top with cooking lid.

18 inch size — \$11.25
22 inch size — \$12.50
26 inch size — \$15.00

WASHINGTON CIRCULATORS

Made in 4 sizes to heat one room or a small home. Extra heavy construction — with porcelain enamel cabinets. Large doors and heavy fire pots.

One room size — \$22.50
Two room size — \$31.50
Three room size — \$35.00
4 or 5 room size — \$40.00

WASHINGTON HOT BLAST HEATERS

Save fuel with down draft pipe. Nickel trimmed. Steel body. Heavy fire back and grates.
14 inch size — \$10.00
22 inch size — \$12.50

All prices quoted are for cash, but terms may be arranged if you so desire.
