

Features Of Chinquapin May Make It Five Out Of Six In The County Basketball Series

The girls' basketball team of Chinquapin High School, four times winner of the county championship in the last five years, has bright prospects of making its record five championships in six years.

The girls basketball squad of Chinquapin High School is again under the direction of Miss Catherine Hall, as director of girls athletics in Chinquapin High School.

The girls squad this year is made up of several holdovers from last year's Chinquapin team and several reserves of that great team.

At present the four experienced players and two reserves of last year seem to have a little better of the fight for regular positions on the first team.

Chinquapin is sure to go far in this season's championship race. The girls lost only one game last year and they have a possibility of marking up a perfect record this year.

The greatest obstacle in the path of Chinquapin's continued success is the lack of a gymnasium. Considering the fact that Chinquapin has no kind of indoor court, the record her girls have made is even more remarkable.

At present the four experienced players and two reserves of last year seem to have a little better of the fight for regular positions on the first team.

Chinquapin is sure to go far in this season's championship race. The girls lost only one game last year and they have a possibility of marking up a perfect record this year.

Misses Katherine Whitehurst and Martha Griggs went to Kinston last Friday.

Mr. and Mrs. R. L. Griggs of Harbinger visited Mr. and Mrs. Carl H. Walker last week end.

Mr. and Mrs. C. O. Grey of Angier visited Mr. and Mrs. Carl H. Walker last Sunday.

B. F. Grady will hold a Halloween Carnival on Thursday, October 31st in the B. F. Grady school auditorium.

The bride entered on the arm of her father who gave her in marriage. She wore a gown of Burgundy crepe with brown accessories.

The bridegroom was accompanied by Albert Wells as best man.

Following the ceremony, Mr. and Mrs. Wells left for a motor trip to Washington and other points north, and upon their return they will make their home near Kenansville, North Carolina.

The bride is the youngest daughter of Mr. and Mrs. Frank Byrd and the niece of Mr. and Mrs. Luther Beasley of Kenansville.

She received her education at Magnolia High School and has since her graduation taken a secretarial course.

Magnolia News

Mr. John F. C. Hunter and S. B. Hunter, Jr., the son of Mr. and Mrs. S. B. Hunter at home from Chapel Hill this week end.

Mr. and Mrs. N. E. Crubbs were the guests of Mr. and Mrs. N. T. Picketts on Sunday.

Miss Mary Drew has just returned from Duke Hospital where she underwent an operation for appendicitis.

Miss Betty Horns entertained the teachers of the Magnolia school at a fish fry at Beaseley's Mill pond Thursday night.

A new blueberry farm is now in preparation about two miles south of Magnolia. There are several farms of this kind in this section.

Carolina Coach

CARL SNAVELY

Carolina Is South's Wonder Team

Pictured above is Carl Snavely, head football coach at the University of North Carolina who has developed the most sensational football team in the South in many years.

Football writers the country over are picking either Carl Snavely's team or Wallace Wade's Blue Devils from Duke University to get the bid to play in the Rose Bowl this year.

Wells-Byrd

Saturday afternoon at the Oak Plain Presbyterian Church Miss Ruth Byrd became the bride of Joseph Wells, of Kenansville.

The church was decorated with Southern amilax, potted plants, and baskets of cut flowers carrying out the fall color note.

Miss Elizabeth Sanderson at the piano and Mrs. Heman Hall, solist gave a program of nuptial music.

For piano solos Miss Sanderson played "To a Wild Rose," "Love Song" and "Leibestraum."

Mrs. Hall sang "I Love You Truly" and "Oh, Promise Me." The bridal chorus from "Lohengrin" was used as the processional.

The ushers were Stokes Wells, J. D. Carr, Frank Byrd and Ben Byrd. They were followed by little Miss Ann Byrd, a little cousin of the bride, as ring-bearer.

A ruffled dress of white, Point d'Esprit and carried the ring in a nosegay of sweetheart roses.

Miss Mary Byrd, sister of the bride as maid of honor, wore a floor length gown of dark emerald green crepe with long full sleeves and neckline circled with a Queen Elizabeth ruff.

Her accessories were of black. Her arm bouquet was of Lemon yellow chrysanthemums.

The bride entered on the arm of her father who gave her in marriage. She wore a gown of Burgundy crepe with brown accessories.

Her dress was fashioned along line similar to that of the maid of honor. Her hat of turban style was of brown crepe quilted, with a tiny nose veil.

She carried an arm bouquet of Tulliaman roses and lilies of the valley, tied with bronze tulle.

The bridegroom was accompanied by Albert Wells as best man.

Following the ceremony, Mr. and Mrs. Wells left for a motor trip to Washington and other points north, and upon their return they will make their home near Kenansville, North Carolina.

The bride is the youngest daughter of Mr. and Mrs. Frank Byrd and the niece of Mr. and Mrs. Luther Beasley of Kenansville.

She received her education at Magnolia High School and has since her graduation taken a secretarial course.

Mrs. Stokes Hostess At Bridge Supper

On last Thursday night at 7:00 o'clock, 6 couples gathered at the home of Mrs. Oliver Stokes to enjoy a delicious birthday supper.

which she gave in honor of her husband. Covers for 12 were attractively laid at 3 card tables placed in the living room.

A tempting three course supper was served, after which several games of bridge were played.

The guests found their places by colorful Hallowsen's tallees, Orange, Marigold were used for decorations.

At the conclusion of the games, high score for the ladies was presented to Mrs. E. C. Wells and for the men to Joseph Wallace. Each receiving decks of playing cards.

More than 3,200 contracts have been signed to date by tobacco growers of Johnston County and the remaining growers are signing at the rate of 40 to 75 daily.

Wallace Takes First Win; Beat New Hanover

Wallace broke into the win column with a bang Friday afternoon by taking Wilmington High reserves for a ride by the score of 6 to 0.

Allen Wood chalked up the touchdown against the Wilmington lads. The game was hard fought from start to finish.

The Wallace boys put up a dogged defense that held the visitors at bay in spite of all they could do.

It was Wallace's best game and first win of the year. Their play seems to be greatly improved and they will bear close watching from now on.

Keep the good work up Wallace!

O. A. Costner of Lincoln County has planted five acres of alfalfa this fall and reports harvesting the best lespedeza hay in several seasons.

AT STATE

"HUNK ANDERSON"

State College Has A Winning Team

Hunk Anderson, head coach at State College and former football coach at Notre Dame University, is giving State College alumni something to boast about this year.

The Anderson coached team is yet to meet its first defeat of the current football season. It meets one of its toughest foes of the season Saturday when they play the University of Georgia in Raleigh.

Business Is Picking Up For Rose Hill

Rose Hill, Oct. 9.—There are some new business prospects for Rose Hill.

For the first time the town is to have a beauty parlor. It will be known as "Carolyn's Beauty Shoppe", and it will be under the management of Mrs. Clyde Nance of Greensboro.

A larger dry-goods store is in prospect for the town, and this is greatly needed. J. B. Fussell will direct a combination grocery and dry goods store.

Previously he has been operating a grocery store and market, and he has moved his old stock into the adjoining brick store formerly occupied by Hyman Company.

Mr. Fussell is planning to have a good line of dry goods in his store.

The Rose Hill Hardware Company is moving back to its former location in the brick building used many years ago by the firm of Parker and Bland.

The store has been renovated, and The Rose Hill Hardware Company expects to have its stock transferred within a short time.

Put Cotton And Tobacco Stalks Under The Soil

GUY A. CARDWELL, Agricultural & Industrial Agent Atlantic Coast Line Railroad Co.

All organic matter produced on the farm that cannot be used for food or feed should be returned to the soil to supply humus.

Corn and cotton stalk, tobacco stalks, straw and all spoiled hay should not be burned for fuel.

The organic matter is destroyed, they should be worked into the soil where they will decay and form humus.

Another good reason for cutting stalks and plowing under is the need to decrease the numbers of troublesome crop destroying insects.

Tobacco stalks and cotton stalks particularly should be cut down and plowed under as early as this work can be done.

In this way you will destroy tobacco and cotton insect hotels, cafes and cafeterias, leaving the enemy naked, cold and hungry, and incapable of living through the winter to trouble you next summer.

The above is a cold blooded plan but war is war, as General William Tecumseh Sherman is credited with saying, "War is hell".

If you do not conquer and destroy harmful insects, but nurse them along by providing them with shelter and feed, they will turn on you and in time severely damage your money-crop prospects; and they may cause you to become an applicant for Government relief.

Farm Women Interested In Time-ly Home Talks

Home demonstration workers at State College are finding that their weekly radio talks are being well-received by farm women of North Carolina.

Each Thursday has been assigned to the women, and the talks delivered by the specialists have to do with bettering the farm home and its surroundings.

Many requests come into State College after these talks asking for further information on the subjects discussed.

These broadcasts, known as Carolina Farm Features, are now sent out over five North Carolina radio stations. The services was begun one month ago.

The program for the week of October 14-19 includes: Monday, W. L. Clevenger, "Farm Butter Making"; Tuesday, Dr. B. B. Fulton, "Household Insects"; Wednesday, Dr. I. V. D. Skunk, "Legumes and Nitrogen"; Thursday, Mrs. Cornelia C. Morris, "Meat Canning"; Friday, C. F. Parrish, "Management of Late Hatched Pullets"; and Saturday, Robert Schmidt, "Harvesting and Storing Sweet Potatoes."

Included in the schedule for the week of October 21-26 will be a talk on "Preparing Turkeys for Market" on October 24 by C. J. Maupin, and a talk on the "Value of Milk in the Human Diet" by A. C. Kimmy on October 21.

Kenansville boys, present Duplin County champions and title holders of last year's Wilmington Star Invitational Tournament, are highly hopeful of having another successful season.

At present their prospects of retaining both of their titles are very bright. Kenansville boys are two times winners of the County championship and have a splendid chance of making themselves three times champions this year.

The boys have been working out for several weeks under the direction of Mr. F. F. Thompson, their new coach, and are showing promise of developing into one of the strongest and best teams Kenansville High School has ever had.

The Kenansville boys got off to a slow start last year and suffered several early season defeats. They were taken over by Amos Brinson later in the season and immediately began to show great improvement.

Brinson deserves great credit for what he did with the Kenansville team. He developed a really smooth working machine that finished the season in a burst of glory, which was climaxed by their victory in the County Tournament and their great, unexpected victory in the Wilmington Star Tournament.

Kenansville High boys seem determined this year to miss their slow start of last year and take up their winning streak where they left off at the end of last season.

Having a determined, hard working, high spirited bunch of fellows out for the team this season and the services of a regular, experienced coach in the person of Mr. Thompson, Kenansville's chances of retaining the boys championship of Duplin County again this season are very bright indeed.

The squad is made up of twelve or fifteen boys, all of whom seem determined to gain a regular position on the team. All are working hard and are showing a fine spirit of cooperation. They all seem eager and anxious of making this year as successful, if not even more successful than last season.

As things size up at present it seems that the team will be made up mostly of experienced players with one or two possible exceptions. Nothing definite has been decided about the make up of the team, however. The race for team positions is still wide open, and the regular line up may contain several new names by time of the first game.

Those who seem to hold a slight lead in the race for a regular position on the team at present are: Morris Brinson, experienced; Woodrow Brinson, experienced; Willard Brinson, experienced; Charles Lee Williamson, experienced; and J. W. Williamson, new. Although these boys seem to enjoy a slight advantage at present, this may not be true long.

Ceness Dail and several other reserves are pushing them very close by and may break into the opening line up if they continue to show the same fight and improvement they have shown of late.

Kenansville is handicapped by not having a gymnasium. Considering this fact Kenansville's record of last year is even more remarkable and some one deserves a great deal of praise and credit for the record of the Kenansville boys.

The lack of a gymnasium would be such a handicap to most schools that they would not even attempt to put out a basketball team, but not so with Kenansville High School. Kenansville not only produced a team, but it produced a championship team, a team for any school to be proud of.

Great credit is due some one for the accomplishment of the Kenansville team, and this writer very heartily congratulates the boys for their splendid work last season and extends them and their coach his sincere wishes for another successful season.

Kenansville, we expect to see you at the County Tournament next March.

Marriages

White

A. B. Sandlin to Kathleen Brock. Charles B. Temple to Eva Turner. Roy S. Lee to Lila M. Futrelle.

Colored

Euray Moore to Mildred Charles. Washington Sloan to Lizzie May Faison. Clodie McCoy to Mary Williams.

One hundred of the 550 club members of Cleveland County took part in the health pageant presented during the recent county fair at Shelby.

Fairley B. Price of Monroe, route 2, harvested 517 bales of lespedeza hay from six acres. The bales averaged about 80 pounds each making the yield nearly 3 1-2 tons to the acre.

JOHNSON TO SPEAK

Mr. O. P. Johnson will deliver an address at the Outlaws' Bridge Community Club Saturday night, October 19th.

CARD OF THANKS

We wish to express our many thanks to our friends and relatives for their kindness and sympathy during the sickness and death of father and husband.

W. H. Jones
