MIKE WANTS HIS GOVERNMENT CHECK

Mr. Henry Wallis, secker-terry of the aggerculture, Washington, D. C. dear sir:

what in the world is the matter I can't get my 1934 government rent check? you all have sent my papers and application backwards and fairwords betwixt here and Washington, D. C., so many different times you have just about wore them out.

It seems that onner count of another tennant working this land in 1933 that you can't get him seperated from me, and if I don't soon get my 14\$ I will be too old to spend it. I have signed everthing except the declaration of independence trying to get this fixed, but it is wrong ever time.

cape smith do not live in the county much less on this farm, so why don't you leave his name off and send me my money? holsum moore says you have got this matter so mixed up with red tape that he doubts if I will ever get holt to my check why don't you keep yore red tape away from my paper how?

It was returned once because the man failed to dot his "i" and the next time, he didn't cross his "t", and the third time you mistook a fly-speck for a period, and the fourth time you sent it back you asked for a copy of the title that great hitman give to my great great-grampaw when we took over america.

as soon as you get to the place where you can't find no fault with my papers, please have the secker-terry of the treasure, make me my check. I have already wore out 6 sets of half soles walking to the farm demon-strator's office to help you understand this matter.

I worked the land myself and cape moved off enduring January and I got there in March. his name was scratched off, so why keep him thinking he mought get my check? do you all ever think, or do you find it easier to send the papers back to ask for information? mebbe that's why you need so many hands in yore department. if I don't get it by December the 4, please just keep it. I am wore out with yore patience and am sick of sich bixness.

yores trulle, Mike Clark, rfd., farmer

Boney of Kenansville presided. The motto for the year was "Looking - Learning - Living." Mrs. W. E. Thornton and Miss Winifred Faison, registrars, registered 85 people. The meeting was opened by the congregation singing, "I Love Thy Kingdom Lord", the Presbyterian Hymn. The Devotional was led by Rev. Frank Goodman, of Grove Church of Kenansville. Greetings were extended by Mrs. Z. A. Gibson and responded to by Mrs. John Brandon of Mt. Olive. Mrs. W. T. Bannerman of Wilmington discussed "Our Spiritual Objectives". Miss Kate Hicks of Faison told of the work at Montreat. The high light of the morning was the interesting address by our beloved Dr. George C. Worth, of his work in Kiangyin, China. The collection taken was for Mission Court. It amounted to \$29.00. Mrs. J. In Knight of Mt. Olive offered a special prayer for Mission Court. Miss Florence Bizzell of Clinton favored the meeting with a beautiful vocal solo, "My Task". She was accompanied by Mrs. A. H. Witherington on the piano. At the roll call by the Auxiliaries, all Auxiliaries were present except Pink Hill and Stanford. Inspirational conferences were held by the district Secretaries and Presidents, after which food and fellowship were enjoyed. During the luncheon hour a snapshot of the meeting was made.

Mrs. Robert Grady of Wilmington, The Presbyterial President, made an interesting address of the work in the Presbytery. A pleasant interlude followed, at this time histories of the Grove and Baker Churches were given by Mrs. G. V. Gooding and Mrs. Presly Bundy. Reports from the committees appointed before lunch were heard. Mrs. W. B. Wheeler reported for place of meeting. Next year's District No. 6 Day of Prayer would be in Calypso. Mrs. W. J. Dr. Worth in native Costume told of the pioneer work in China and Africa. He introduced his daughter, Miss Ruth Worth, of Kenansville, China. She too, was in Chinese costume. Her talk was, her

impressions of Mission Court, and her work in China. She had on display a Chinese baby with a complete layette.
