

Warsaw Defeats Mt. Olive Seven To Six In Armistice Day Game At Warsaw

In a fiercely fought battle before a large Armistice Day crowd Warsaw defeated Mt. Olive by the score of 7 to 6 at Warsaw. These two bitter rivals played a hard crushing game during the whole period of play. As a result of the unusually hard play several members of each team were carried injured from the field.

Warsaw scored its lone touchdown in the second quarter of the game, one minute before half time intermission. Fridgen, ace passer of the Warsaw squad, held out of most of the game because of injuries was run in by coach Denny of Warsaw late in the second period. On the second play after being infected into the game, Fridgen faded back and tossed a flat pass to Homer Knowles who outdistanced the entire Mt. Olive backfield and went across the goal line standing up. This beautiful pass and run, however, was no good because a Warsaw lineman was off-side on the play and the ball was brought back and Warsaw penalized five yards, placing the ball on Mt. Olive forty-five yard line. Not to be denied, on the very next play, Fridgen again faded back and passed again to Knowles who repeated his beautiful run of the preceding play. Knowles showed plenty

of speed and elusiveness on this run. Warsaw converted the point after touchdown by a pass and with one minute of the first half remaining, the score stood Warsaw 7, Mt. Olive 0. Fridgen was removed from the game at this point. Warsaw kicked off to Mt. Olive and as the half ended, Mt. Olive was vainly trying to advance into Warsaw territory. Warsaw had a decided advantage in this half.

As the second half opened Mt. Olive immediately served notice that the game was not over. They launched a hard running attack that carried deep into Warsaw territory. They lost the ball on downs, however, and Warsaw launched a counter attack. With one yard to go, fourth downs on their own thirty yard line Warsaw's signal caller gambled on making a first down and lost. This poor judgment on the part of Warsaw proved very costly. Mt. Olive gained possession of the ball on Warsaw's thirty yard line and drove lost it until they had hammered and crashed their way across Warsaw's goal line. Page, big fullback of Mt. Olive, featured this running attack. Mt. Olive attempted to convert the point after a touchdown by a pass but failed and this failure prevented them from squaring the count. During the remainder of the game, each team tried vainly to score. Warsaw was kept on the defensive for the greater part of this time. As the game ended, Mt. Olive was trying desperately to push across a winning touchdown.

The game was well played. The teams were fairly evenly matched and showed plenty of good hard fight. Page was outstanding in the backfield for Mt. Olive. He is a big husky, fast back that caused Warsaw plenty of trouble all afternoon. Mt. Olive's line performed nicely, and Warsaw had to turn to the air to score. The whole Warsaw team played heads up ball. Merritt, until he was removed because of injuries, and Middleton led the line play. While in the back field the passing of Fridgen and the running of Knowles were outstanding. Fridgen is a very accurate high school passer, and Knowles is as speedy and as hard running high school back as one can find in this section. West also made several nice returns of points for Warsaw. Warsaw is making a good record this season, having lost only to Kinston and Smithfield while winning two games from Wallace, two from Burgaw and one each from Goldsboro and Mt. Olive.
