COMMENTABLE

INPITATIVE STILL GETS RESULTS — When Napoleon proposed to take his army over the Alpa,
hal generals advised against it because circumstances were unfavorable. Napoleon's reply, it is said,
was: "Circumstances. I make circounstances." Twentieth Century
reality facing a young man preparing for a vocation makes preposterous a claim that he can
shape all circumstances in his favor. But if he tries - and tries
hard - he may be surprised at how
far his effort will take him.

THE NEED FOR PROGRESS We do not propose a broad program of price cuts at any time, nor do we suggest that business men operate without a satisfactory profit. But it is apparent that as technological advance gives us increased productive efficiency, it creased productive efficiency, it must be passed on to consumers in lower prices if broad, sustained
