DUPLIN — WARSAW
 Tuesday night's Jack Pot Night will \$10.00 in cash will be given away.
 A daring battle with mail bandits ignites a dormant love between an ace postal inspector and his intrepid secretary in "Wanted: Jane Turner," thrilling melodrama of the U. S. post-office department inspectors co-featuring Lee Tracy and Gloria Stuart Wednesday.
 A behind-the-scenes glimpse of the never-ending vigilance of postal agents against bandits, racketeers and perpetrators of mail frauds is provided in this powerful drama. Tracy and Miss Stuart, speedily gaining recognition as one of the screen's most popular romantic teams, together for the third time, appear as a government sleuth and his secretary.
 Their long association in tracking down desperate mail crooks has crammed their lives with so much action and danger that Tracy and Miss Stuart overlook the romantic element.

But when Gloria is endangered as she is menaced by Growley, a hunted killer, Lee swings into action in an official and romantic capacity.
 Surprise follows dramatic surprise, romantic secrets are revealed and tangled lives set straight when the Country Doctor's 3,000 grown-up "babies" come back to share their joys and tears with the man who brought them into the world in "Reunion." Twentieth Century-Fox's latest screen triumph, showing Thursday and Friday.
 The picture which stars the world famous Dionne Quints and features Jean Hersholt, Rochelle Hudson, Helen Vinson, Slim Summerville, Robert Kent, John Qualen, Dorothy Peterson and many other players, boasts the year's most important cast in the seasons most unusual drama.

To Be Repaired
 Injun County Commissioners have succeeded in getting the State Highway Department to reopen the old Kenansville-Faison road leading from Kenansville, by Coopers Mill, Friendship and on to Faison. The road is open for some distance this side of Friendship on to Faison, but the Kenansville end has been closed for some time to auto travel. A new bridge has been built across the Grove just back of Kenansville and work is scheduled to begin on the Friendship end of the road at an early date. Information will be given as it develops.

GIRL HURT IN BLAST
 Two explosions damaged the front steps of the Spawncor station today and injured a small girl who was lying in the station. Postal officials said looking for remains probably caused the blast. The girl's name and extent of her injuries were not immediately determined.
