## HERE'S WHY FIRESTONE ALWAYS GIVES YOU SO MUCH

# More for your Money

**Higher Quality Raw Materials!**  
**More Efficient Manufacturing!**  
**Lower Distribution Cost!**  
**These All Combine to Give You Extra Values at No Extra Cost!**

FROM the day of its introduction, the Firestone Standard Tire has more than lived up to its name by setting a new high standard of tire values. Hundreds of thousands of car owners have already bought it as their number one choice because they saw in it more value for their money.

"How does Firestone do it? How can they build so many extra value features into Firestone Standard Tires and yet sell them at such low prices?" The answer is simple — Firestone controls better-quality rubber and cotton supplies at their source, keeps manufacturing costs low by efficient factory methods and sells in such huge volume that distribution costs are held to a minimum.

Make no mistake about this! The Firestone Standard Tire gives you the blowout protection of Firestone's patented Gum-Dipping process. Every fiber of every cord in every ply is saturated and coated with pure, liquid rubber which counteracts internal friction and heat that ordinarily destroy tire life. Its scientifically designed tread gives greater non-skid protection and longer wear. And these two extra layers of Gum-Dipped cords under the tread guard against punctures and provide greater strength for leading the tread and cord body into one inseparable unit.

Before you buy ANY tire at ANY price, see today's top tire value — the Firestone Standard Tire. Don't risk your life with thin, worn tires on your Fourth of July trip. Join the Firestone SAVE A LIFE Campaign today by equipping your car with a set of new Firestone Standard Tires.

Listen to the Voice of Firestone featuring Margaret Spaulding Monday evenings over Nationwide N. B. C. Red Network

<b>ANTO RADIOS</b> \$39.95	<b>SEAT COVERS</b> \$16.95	<b>HORNS</b> \$6.95
-------------------------------	-------------------------------	------------------------

**WIDER FLATTER TREAD**  
GIVES LONGER MILEAGE AND PREVENTS SKIDDING

**TWO EXTRA LAYERS OF GUM-DIPPED CORDS**  
MAKE THE TIRE MUCH STRONGER

**GUM-DIPPED CORD BODY**  
GIVES GREATER BLOWOUT PROTECTION

**3 EXTRA POUNDS OF RUBBER**  
IN EVERY 100 POUNDS OF CORD FABRIC

**PRICES START AS LOW AS \$6.40**

**DON'T RISK YOUR LIFE ON THIN WORN TIRES**

**DO YOU KNOW**

THAT last year highway accidents cost the lives of more than 20,000 men, women and children?

THAT a million more were injured?

THAT more than 40,000 of these deaths and injuries were caused directly by punctures, blowouts and skidding due to unsafe tires?

## EARTH SPOTS

By Hanson Kettner

When I first met him he was half in and half out of the grave. But it was not his grave and he was very much alive, this "Happy Outrigger" of the colored cemetery. His official name was "George" of the cemetery. You would think he should have been called "George" of the cemetery. You would think he should have been called "George" of the cemetery. You would think he should have been called "George" of the cemetery.

Through all pain at times she smiled. A smile of heavenly birth, and when the Angels called her home she smiled farewell to earth. Heaven retained now our treasure, Earth the lonely casket keeps, and the sunbeams long to linger Where my sainted mother sleeps.

Pray cast an eye As you pass by, As you are now So once was I, As I am now So you must be. Prayers for death And follow me.

## PINK HILL

### BRIDGE PARTY

Mrs. Floyd May delightedly entertained at four tables of contract bridge at her home here Friday evening.

After the guests had assembled for cold watermelon was served, followed by a salad course. Later in the evening mints were served during play.

Attractive corsages were presented each player.

Attractive corsages were presented each player.

## Find Champion Tobacco Raiser

C. H. Smith of Smith's Township was in town this week and made claim to being the champion tobacco raiser of the country by presenting measurements on some of his crop. Mr. Smith measures the fourth leaf on the stalk of tobacco and found it to be twenty nine and three-fourth inches long and nineteen and three-fourth inches wide. That is some leaf.

Mr. Smith also reported that his plants are running from 30 to 33 leaves to the stalk. This has been a good season for tobacco and perhaps some farmer in the country can give a better report than did Mr. Smith. So send your measurements in to the times.

Advice is seldom welcome, and those who want it most, always like it the least.

## FAISON

On Saturday afternoon Mrs. H. T. Ray entertained the Faison-Hicks Chapter U. D. C. Miss Ellen Clifton had charge of the program, which was on Georgia, statesmen, scientists and poets of Confederate days. At the close of the program delicious refreshments were served.

Friends of Mrs. D. H. Clifton deeply sympathize with her in the Burial of Turkey who passed away Saturday night in the Goldsboro hospital.

Mr. and Mrs. Lucian Clifton, of Wilmington spent Sunday in Faison with relatives.

Miss Louise Whitfield, of Clinton is the guest to her aunt, Mrs. H. F. Byrd.

We are glad to welcome to our town a recent bride, Mrs. George Franklin. Mr. and Mrs. Franklin are at home with Mrs. B. I. Bowden.
