Now is Time to Sow Winter Cover Crops

In North Carolina the time for sowing winter cover crops is at hand, says E. C. Blair, extension agronomist at State College. Crimson clover seed in the hull may be sown in the eastern and central North Carolina corn, cotton, tobacco, and other row crops at this time (he continued). The Christian Home

In Council Bluffs, Iowa, is located a Home for orphan and destitute children, which is different from any other organization of its kind in the country. This Home was founded nearly fifty years ago, by Rev. J. G. Leamon, a godly man of gigantic faith in God. In fact, the Home was founded on the Promises of God. This Home, which is the Christian Home Orphanage of Council Bluffs, Iowa, is supported entirely by the free will offerings of the lovers of God and Humanity. Thousands of children have passed through its portals during its over half century of existence. Children who were in the Home years ago, are now outstanding men and women of today; many have won fame and fortune due to the teachings received while they were children at the Home. These same children had their feet left in their original pitiful surroundings, might have helped to fill the penitentiaries of today. The Christian Home Orphanage is a National Home for children; it is located in Iowa, but it is supported entirely by the voluntary contributions of people from all sections of the country. It receives no appropriations of any kind, and employs no traveling agents, but depends upon your goodness and mine for its support. It conducts its own school, its own laundry and its own well equipped hospital. It also has a small department for aged women. The work of caring for homeless children, and training them to become Christian men and women, is the most outstanding work of today. The Christian Home Orphanage is doing this work, but it cannot do it without your gifts and your cooperation. This is a work in which all can take part. For information in regard to this remarkable Home, write to the Christian Home Orphanage, Council Bluffs, Iowa, and literature will be sent to you. All contributions sent to the Christian Home Orphanage, Council Bluffs, Iowa, are duly acknowledged and credited in the official publication, "CHRISTIAN HOME," in which all financial reports appear, a copy of which will be mailed to you.
