The "Brothers" gave a play at the E. F. Grady school house last week. The auditorium was packed full. Extra chairs had to be brought in to seat the crowd. Everyone thoroughly enjoyed the occasion. We hope they come our way again soon.

his condition is much improved at present. Miss Annie Maxwell and Mr. and Mrs. Warren Maxwell and family went to see E. G. Maxwell at Carolina General Hospital at Wilson, Saturday. His condition is improved in some respects. The specialist came down recently and after making an X-Ray picture, found the broken bone, a little misplaced, then proceeded to bandage the leg and put a heavy weight to his foot to hold it in place. Annie remained with her father Saturday night and Sunday.

sympathy to the family and many friends of Mrs. Marion Grady, who passed away last week. It is sad to see one go, so young, leaving her little one, but our loss is Heaven's gain. Mr. Grady is a nephew of W. E. Gooding, and a grandson of Mrs. Victoria Gooding who passed on to her reward just recently, and whose many years of suffering, bearing her burdens cheerfully, should help us all to be more patient, and cheerful in our afflictions.

No Pure Water It isn't possible to prepare any substance of such purity chemically that it would be completely free of all foreign matter whatever. Absolutely pure water would be injurious to the human body and to all other delicate living things. All drinking water contains mineral elements. Whether water is injurious or conducive to the health depends entirely on the presence or absence of disease-producing foreign matter in it, or the proportion of minerals.

Tea Taster Deary Man Since the blending of teas is an art, a tea taster, or tea expert, fills an important place in preparing tea for the market.
