FREEMASONS AUXILIARY MEETS

The September meeting of the Exeterian Auxiliary was held in the church Monday afternoon with the President, Mrs. E. C. Sheffield, presiding.

The program that followed was very unique in that it was given as an aerial flight over the Home Mission fields of the Synod of North Carolina.

The introductory flight was made by the leader, Mrs. M. V. Orr, who took the group to the office of the Home Mission Superintendent in Greensboro, where we learned much general information concerning the work.

The next aviator, Mrs. Alton Wick, took us to Martin County where marvellous results were seen from the work conducted there the last nine years.

Flight three carried us to Shelby, N. C., where Margaret Kornegoy, as pilot, renewed our interest in the silent services among the deaf and dumb of our state.

A very encouraging work was presented by Cary Williams, who flew over the Sand Hills of our state and presented Home Mission conservation.
