

Hallowe'en Party Proves Success

As a Hallowe'en party held at Kenansville high school Saturday night the school cleared \$115.00. This will be used for work on the library, gymnasium, and school ground.

The entertainment proved one of the most successful presentations of the school recently, according to comments from those attending.

One of the high spots of the program was crowning of the class queen in the junior and senior groups. Susie Lee Williamson, 3rd grade, was crowned class queen in the junior group. In the senior group Mary Lily Quinn, 8th grade participant, was the object of the coronation.

Each of the queens was presented a prize of a box of candy. The home room of each winner was presented a cake.

Entertainment for the night consisted of such typical Hallowe'en forms of fun as fortune-telling, fish pond, cake walk, etc., plus a few extra touches, such as dancing the Big Apple.

ANDREW BROWN

Andrew Brown, 45 of the Beaulaville section, died Sunday evening at his home from an attack of pneumonia. He was buried Monday afternoon at the cemetery near Catherine's Lake, in Onslow County, with Masonic honors.

Mr. Brown was unmarried. He was a member of the Beaulaville Lodge.

He had been ill for only a few days before his death, although friends and relatives say that he suffered from asthma for the past few years.

Regular Meeting Of Local Lodge Held Thursday

About 50 members of Saint John's Lodge No. 13 and several visitors attended the regular first-Thursday-night meeting and 'feed' in Kenansville Thursday night.

The Brothers were treated to a barbecue supper by the 'feed' committee, composed of O. F. Johnson, Early Newton, Alton Newton, Henry Dail, B. C. Sheffield, Arthur

Ramphrey, Jesse Brown, who had an ample feast prepared.

After the barbecue had been disposed of the assembly adjourned to the Lodge hall for its regular meeting. Funds were contributed by the brothers for payment of the last note on a lot adjoining the Lodge property, and a sizable sum was contributed for the benefit of the Oxford Orphanage.

J. E. "Cap'n" Jimmy Jerritt, Chairman of the Duplin County Red Cross unit, spoke on the merits of that organization and asked the members of the lodge to stand squarely behind it in its membership campaign.

After regular business was finished L. L. Rogers, teacher at B. F. Grady High School, was inducted into the lodge.

Members of Saint John's Lodge No. 13 expressed the opinion that Duplin county was greatly blessed with the good things of the world, and should contribute heavily to such noble organizations as the Red Cross and Oxford Orphanage. They also offered assurance that this lodge would be at the top when it came to doing its part.

Mrs. Herman Miller Honored

Mrs. Herman Miller was guest of honor at a gathering of friends at the home of Mrs. Ashe Miller last Friday evening from 7 to 10. Games were played in the early part of the evening and Mrs. Miller was given several nice presents. Special plate refreshments were served to the guests.

Operate on Baby

The eight-months-old infant son of Mr. and Mrs. Hess Havis, of near Holt's Store, underwent an operation for mastoiditis in a Kinston hospital Sunday night.

The child had been treated for ear trouble for about two months before it was discovered that he was suffering from Mastoiditis. Apparently the operation was successful and the child is recovering nicely.

K'ville Splits Doubleheader Chinquapin

Kenansville high school boys

and girls split a doubleheader in the new gymnasium Tuesday night with Chinquapin. Both games were very well played and cleanly fought. The Kenansville boys won 37 to 13. The Chinquapin girls won 16 to 8. The Kenansville boys were better on defense than had been expected of them. Their offense was something that could stand much improvement, because on numerous occasions they dropped the ball near the goal. However, they did much better than had been expected of them as the score indicates.

The really good thing about these boys is the way they practice. A large percentage of the eligible boys in high school are on the squad and they do really love to practice. If they continue this Kenansville quint is very likely to have a better than average team for this county. The high scorer for the game was Genes

Dail with 14 points. There were really no stars. All the boys pulled together in such a manner that no star could be allowed. If any extra praise must be given it has to go to Mark Southward, who was playing his first game. The boys playing were Ed Sykes, Bill Grady, J. W. Williamson, Lester Brinson, Genes Dail, Kermit Brinson, N. B. Grady, Mark Southward, David C. Williamson, James Leary, Arnold Dobson and Robert James.

The Kenansville girls played a nice game but their long guards were too much for the Kenansville star was Florence Brinson. If this little lady could play by boy's rules she would be a real star. The Kenansville players were Irene Brinson, Florence Brinson, Hazel Brown, Sallie Bostic, Nannie Sea Whitman, Evelyn Head, Mary Lily Quinn, Macy Esselle,

Edred Esselle, Jewel Bee Proctor and Ruth Cox.

The freshmen boys and girls divided a doubleheader in Roshill Monday night. The boys had to rally to win 18 to 13. The girls lost 17 to 7.

The officiating at the game here was very good. School officials wish to thank the Brinson boys for helping.

The entertainment will consist of a dance and floor show, with Billy Crow and his orchestra furnishing the music. The dance will be informal.

For the convenience of the people of Kenansville who wish to attend this dance, Chamber Dickson, manager, has placed seats at Kenansville Drug Store advance tickets at nominal prices.
