PARAMOUNT-KINSTON

Two years ago Metro-Goldwyn-Mayer, producers of the screen's giant films, undertook the creation of a new, brilliant, daring, idea. To merge in one stupendous motion picture the excitement of a great drama and the glories of a majestic musical entertainment. The success of this effort has electrified the amusement world from coast to coast, and is presented now far your eyes to behold, your heart to thrill to, your senses to revel in! Romance floods the screen! Drama throbs in tingling suspense! Music envelopes the whole theatre in divine beauty! Never before in your life, perhaps never again, will the screen give you such magic delight as now in "The Firefly."

This revolutionary film comes to the Paramount Theatre in Kinston next Sunday, Monday and Tuesday to thrill you and please you as you have never been before thrilled by a motion picture. Jeanette MacDonald, the golden-voiced songbird of the screen, is at her best, and Allan Jones and Warren William rise to the heights of screen great. Be sure to see these 21-2 hours of thrill, romance and music which will make 1937 remembered always as the year of the first Romantic Dramatic Musical film. You'll never regret it.

And "Second Honeymoon" will appear on Thanksgiving Day, starring that likable, fast-rising star, Lyrene Power, with Loretta Young and Stuart Erwin. And for the midnight show Thanksgiving night "Annapolis Salute," with James Ellison, Marsha Hunt, Harry Carey and Van Helton.
