RIGHT OUT OF THE AIR

By EARLE FERRIS

If you want to make money, act timid. That's how Kenny Baker, Jack Benny's tenor, started on the way to fame. He really was bashful about stepping up to the microphone for the first time and Benny kidded him about it. That's how a character actor is born and it has proved a successful role for Kenny, because also opened the movie ports for him.

Lanny Ross, song star of "Mardi Gras," tried to play Bob Burns' bazooka after the latter had appeared on a recent program but the most Lanny could get from the instrument was a feeble burp.

Harmony is usually used in radio in the musical sense. Yet, harmony is responsible for the success of "Peppercorn's Family," NBC script show. This cohesion makes the cast feel like working and their enthusiasm is reflected in their lines.

Phil Baker who, with his amusing stogees "Beetle" and "Bottle," is now being heard from Hollywood over

of actors and actresses in mind for the principal characters. Morse has the characters around the actors' real personalities. The result is a remarkable illusion of reality. The same players have been doing the main characters since "One Man's Family" started.

Mary Jane Walsh, Radio's Singing Cinderella, is heard over the WOR-Mutual network each Friday night at 8 p. m., E. S. T. She earned the title when, after attracting attention as a Rudy Vallee discovery, she won an important singing role in the new George M. Cohan stage play as well as her new radio contract. She's from Davenport, Ia.

Jack Fulton, tenor on "Poetic Melodies" over CBS, is an adept trombone player and occasionally joins the band in between vocal numbers just to keep his lips in shape.

Latest word from Hollywood indicates that Rudy Vallee will remain on the coast until March or April, making a picture there as well as broadcasting his Thursday night variety hour. His schedule holds it will keep Rudy in Hollywood longer than he has ever stayed before during his eight broadcasting years. Rudy has just marked the actual eighth anniversary of his first Thursday night show.

HOW CAN I ???

Q. How can I drive a nail into plaster without marring the wall? A. This can be done without crumbling the plaster if the nail is placed in hot water for a few minutes, or dipped into melted paraffin.

Q. How can I launder a woman's ties successfully? A. Before washing ties, baste them carefully to prevent the lining or padding from becoming lumpy. Remove the basting before ironing and the ties will look as if new.

Q. How can I make a good toilet perfume? A. A good toilet perfume can be made by mixing two ounces of alcohol with one half ounce of orrisroot. Keep in a bottle tightly corked, and shake well before using.

Q. How can I test eggs for freshness? A. Place the egg in a pan of water. If fresh, it will lie on its side. If a few days old, it will tilt upwards. If it is stale, it will stand on end. If very old, it will float.

Q. How can I separate a water glass that has become stuck inside another glass? A. Pour cold water into the upper glass to contract it, and then immerse the lower glass into warm water to expand it. They can then be separated very easily.

Q. How can I make a good furniture polish? A. A good furniture polish can be made of one part vinegar, with equal parts of linseed oil and turpentine.

Q. How can I remove a broken cork that has slipped down into the bottle? A. Pour in enough household ammonia to float the cork, let it stand for a few days, and the cork will break into fine pieces, which can be removed without difficulty.

Q. How can I tighten the handle of an umbrella that has become loose? A. Fill the hole in the handle with powdered resin, heat the rod, and then press firmly into the hole.

Q. How can I remove a rusty screw? A. Heat a poker or spike red-hot and apply it to the head of the screw. When the screw has

very rusty. Q. How can I relieve sunburn? A. One of the very best remedies is to mix two parts of linseed water with one part of linseed oil, beat it to the consistency of cream, and apply.

Q. How can I remove the socket of an electric light bulb, when the glass bulb has broken off? A. This can be done by pressing a large cork firmly into the socket. This will enable you to unscrew the metal part.

Q. How can I mend a tear in a kid glove? A. Buttonhole around the edge of the tear before drawing together. Then over-sew the buttonhole together and the repair is substantial.
