Growing Healthy Tobacco **Plants**

In time for field setting is of first importance WEIL'S SPECIAL PLANT BED WILL DO THIS JOB

"I have tried Weil's Special Plant Bed side by side with other plant bed fertilizers and found it to be the best I have ever used." This statement is the overwhelming testimony of hundreds of tobacco farmers using Weil's Special Plant Bed.

Each year we conduct field tests for the purpose of finding, if possible, a still better plant bed fertilizer. In 1937, after five comparative tests, we found our today's formula still productive of the best results.

WHEN WE LEARN HOW TO BUILD A BETTER PLANT BED FERTILIZER, WE SHALL GIVE YOU THE BENEFIT OF OUR INFORMATION.
