FOM-OL Vives, mother, scars—they're often forced to point the way to late health to their men folk! For women know that a healthy hair produces handsome hair! And that's why women everywhere are pointing to FOM-OL, the remarkable foaming all shampoo which first nourishes the scalp, then takes the dull, parched hair and brings it back to glowing health. Fom-ol is so economical, a little goes a long way. Ask your druggist for the regular 30c size. Or, write for a generous trial bottle, enclosing 10c to cover packing and postage.

FOM-OL More than a shampoo—A treatment! CAROL, Inc. 115 West 42nd St., New York City
