NEW FILMS

"My Sister Eileen"

This is the screen adaptation of the stage success of the same name. While it is not in the lofty tradition of classic film comedy, its gags are good and the action is rowdy.

Rosalind Russell and Janet Blair play the sisters with hys-

terical frenzy and dash. George Tobias, Brian Aherne, Allyn Joslyn and Gordon Jones are amusing in their roles.

"The Forest Rangers"
While this is a beautiful film from a Technicolor standpoint—the forests blaze beautifully—it is somewhat of what you may call an educationally-exciting picture—it shows how forest fire-fighting is done, etc.

Fred MacMurray is the forest ranger, caught between two battling, jealous dames. One is his wife, Paulette Goddard, a tenderfoot if there ever was one, and the other is Susan Hayward, a child of the Great Outdoors. The wife, of course, wins out in the end.

"The Glass Key"

This is a first-rate murder mystery, based on the novel by Dashiell Hammett. While the plot is somewhat familiar, interest is held throughout and the performances by the cast are excellent.

Alan Ladd, who scored so heavily in "This Gun For Hire," has the lead and is excellently supported by Brian Donlevy, William Bendix, Joseph Calleia and Bonita Granville.

Today we honor the heroes, living and dead, of two World Wars. To the one an Armistice brought peace in 1918. For the other, peace must still be won in the future, by long and hard fighting. In the name of that first Armistice—we look forward to the termination of World War II with the United Nations victorious, and justice meted out for all the people of the world who have fought so zealously for the end of fascism and the rebirth of world freedom!

Thanks Tobacco Farmers

The 1942 Tobacco Season will close on November 10th. We invite all farmers who have not yet sold to sell their tobacco during the closing days of the 1942 season on the Kinston Market. The Kinston Tobacco Market has sold fifty million pounds of tobacco since the market opened August 25. We have paid out nearly twenty million dollars to the tobacco farmer who sold in Kinston. Our average was more than 39 cents—an increase of 10 cents over last year. No market on any belt enjoyed a better year than did the Kinston Tobacco Market this season. Your fine cooperation made possible our record in closing the season. We thank the tobacco farmers for their cooperation in making this our most successful season.
