Forty-One Persons Killed in Auto Accidents in N. C.

SUMMARY FACTS TRAFFIC ACCIDENTS

May, 1943

1. Forty-one persons were killed in motor vehicle traffic accidents during May 1943. During May 1942 stxty-five persons died in traffic accidents. Thus, May 1943 shows a decrease of 24 persons or 36 9 per decrease of 24 persons or 36.9 per cent compared with May 1942.

cent compared with May 1942.

2. Twenty-two or approximately
51 per cent of all persons killed
were under 20 or over 55 years
old; eight or appoximately 20 per
cent of persons killed were under
15 years of age. Of the eight children under 15 years 3 were per destrians and two bicyclists, Thus, ma, Ariz. He is a graduated of destrians and two bicyclists. Thus, Rosehill High School and attended 5 or 62 5 per cent of children killed were non-motor vehicle occu-

3. Twelve or approximately 30 per cent of persons killed were pedestrians. Of this number, 3 or 25 per cent were under 14 years of age, and 2 or 16.6 per cent were over 65 years. In May 1942 18 pedestrians or 27.7 per cent of all persons killed were pedestrians. While only 2 or 11 per cent were under 15 years and only 1 was

ove 65 years of age.

4. In May 1942, "ran off roadway" or "ove-turned in roadway," the types of motor vehicle traffic accidents usually resulting from 'lost control" because of excess ive speed, accounted for 25 deaths or 38.4 per cent of the total killed (65). However, in May 1943 only 8 persons or approximately 20 per cent of the total were killed in this

type of accident 5. Seven traffic accidents in cities over 10,000 population, accounted for 9 or 21.5 per cent of the total persons killed in May, 1943. While in May 1942 only 5 fatal traffic accidents occurred in cities (over 10,000 population) killing 5 persons. Thus in May 194. there was an increase of 2 or 40 per cent in fatal accidents, and or 80 per cent in the number of persons killed in cities over 10,-

000 population.
6. Of the nine persons killed in cities 5 were pedestrians, 2 occu-pants of motor vehicles in 2 collission accidents, and 3 ocupants of motor vehicle in collision with

7. In May 1942, 49 out of 57 or approximately 75 per cent of all fatal accidents occurred on rural highways (outside incorporated cities and towns). While in May 1943, 30 out of 37 or approximately 80 per cent of fatal accidents occurred on rural highways

8. Total deaths from traffic accidents during the first 5 months of 1943 (reports to June 1) were 246 compared with 364 for the same period of 1942 Thus, North Carolina experienced a reduction of 118 or 32.6 per cent in traffic fatalities during the first 5 months. talities during the first 5 months of 1943.

9. During the first 5 months of 9. During the first 5 months of 1943 37 persons were killed in cities (over 10 000 population,) compared with 44 during the first 5 months of 1942. The reduction of traffic fatalities in cities therefore was only 7 or approximately 15 per cent compared with total State reduction of 32.6 per cent,

Calypso Boy Fatally Injured When Struck By Auto Last Night

Leslie Ray Brock, 16-year-old boy of Calypso, was fatally injur-ed Thursday night about 9:30 when he was struck, while riding a bicycle, by an automobile driven by

Cenus Dail of Kenansville. Coroner Ralph Jones of Warsaw made an investigation this morning and held that the accident was unavoidable.

Mr. Dail, accompanied by Andrew Patterson and a Negro, Gurney Miller, of Kenansville, was en route to Goldsboro on business when the accident occurred a few hundred feet south of the over-head bridge at Calypso. Dail was meeting a car and a truck. Young Brock was headed North also and as soon as the car and truck passed he rode his bicycle in front of the Dail car. It was misting rain, Dail said. When his car hit the boy he stopped quickly as he could and put him in the car and started to to the Goldsboro hospital. Dail said the boy was living when he picked him up, but died before reaching the hospital,

Funeral services will be held at the Brock home in Calypso Saturday afternoon.

Some Married Men With Dependents Are Subject to Call

Raleigh-While it is true that fathers generally will not be called for military service until the supply of single and childless married men is exhausted there are three exceptions to that policy, it was pointed cut today by General J. Van B. Metts, state director of selective service.

The exceptions are: 1. Men who have become fath-

ers since September 14, 1942. 2. Registrents engaged in non-deferrable activities or occupations. The War Manpower commis sion has designated certain activities and occupations as non-defer General Metts explained and fathers engaged in these nondeferrable activities and occupations may be classified as 1-A and selected for service.

3. Registrants who have been classified as essential farmers, but who have left the farms on which they were found to be essential without first obtaining permission of their local boards to do so. Men in the last two groups are

subject to selection for service, rethe dates of their bith, General Metts said
