AMERICAN HEROES
BY LEFF

Two hours after the ill-fated destroyer Hamulann was sunk, her skipper, Comdr. Arnold Ellsworth Trus, was rescued from the water and found to be supporting two enlisted men. He himself was so exhausted that he did not realize both men were dead. Comdr. Trus, who was awarded the Navy Cross and the Distinguished Service Medal for heroism, typifies the spirit of our men in arms. They give to the limit of their endurance. Do YOUR part! Buy more War Bonds and Stamps!

Attention Merchants
No longer are you to be worried with the regulations 238 and 268. Look for more news next week as the new community prices are fixed by the O.P.A. in Raleigh in order that the pricing may be more simplified and uniform through out the county and state. These prices will soon be state wide, all peoples will pay practically the same prices every where. Just forget that you were allowed a percentage mark up and price your groceries as to classification and prices fixed in your community price list. Look for more news next week by Elory Guthrie, Price Clerk. Ladies you can feel pepped up 'cause you can have that new coat you wanted so much last year at all most the same price, as winter clothes have not advanced. The merchants will use the same "cost plus margin" as of last year.
