Army Enlistments Show Sharp Rise

A marked rise in the number of enlistments in the U. S. Army highlands the report in the Columbia District, which includes North and South Carolina, according to a statement made by Maj. Motin J. Hite, Jr., Commanding Officer of the Goldsboro Recruiting Service in the Odd Fellows Building, on N. John Street.

The figures released show that a total of 550 men of North and

South Carolina enlisted for the first 15 days of January. This figure exceeds the total of 474 men enlisted during the entire month of December, and bears out statements of Army men that more enlistments would be obtained after the passing of the Christmas holidays.

Thanks For The Oranges

This week the Editor was pleasantly surprised when he walked into the Express Office in Warsaw and found a box of fresh, juicy, oranges from Florida. The oranges were a gift from L. V. Carroll, native of Duplin, who now is living in Florida. Thanks, Lon. Any more Duplinites in Florida?

Mrs. R. D. Johnson Sir Walter Cabinet Officer

Mrs. Rivers D. Johnson, wife of Duplin Senator Johnson, was elected last week to the Vice Presidency of the Sir Walter Cabinet, an organization composed of the wives and sisters of representatives serving in the present legislature. Mrs. Johnson serves with Mrs. L. Y. Ballentine, wife of Lt. Governor L. Y. Ballentine, as President. The Sunday edition of the News and Observer carried an excellent group picture of the present Sir Walter Cabinet officers.

\$350 Be Awarded In Speaking Contest

Speaking on the subject of "Soil Conservation," seven North Carolina high school students will compete for \$350.00 in savings bonds and a trip to the annual convention of the State Bankers Association, Asheville, when the finals in the Soil Conservation Speaking Contest are held at Elkin, Feb. 20, according to a recent announcement. The contest began October 1, in 45 counties of the state, and is

Uncle Sam Says

One of my nephews, Assistant Secretary of the United States Treasury Edward H. Fealy, made a few remarks the other day which are worth the attention and action of all my other nephews and nieces. In talking about buying Savings Bonds through the payroll savings plan, he said: "Workers are doing themselves a favor when they increase their take-home savings. The man who has saved up a reserve has a sense of security which the man who lives from hand to mouth can never know. He gets more out of life. He can take today as it comes, rather than spend it worrying about tomorrow." The same reasoning applies not only to Americans on somebody's payroll but to the millions of men and women who earn their living as doctors, lawyers and independent business men who can arrange for regular purchases of Savings Bonds at their banks.

sponsored by the State Bankers Association. The Association's convention, to which the state winner will receive an expense-paid trip, will be held May 29 and 30.

PEOPLE ARE ASKING THESE QUESTIONS ABOUT ARMY ENLISTMENT

- Q. What educational benefits do I get under the GI Bill of Rights?
- A. If you serve honorably on active duty for a period of 90 days, one day of which is served between September 16, 1940, and the date of termination of the present war, or you are discharged because of an actual service-incurred injury or disability incurred within that first 90-day period of service, you are, upon discharge, entitled to one year of education in the college, trade or business school of your choice for which you can qualify. In addition, each month of active duty, including the first three, prior to the termination of the war, entitles you to another month of post-service education, up to 48 months. Your tuition, laboratory fees, etc., up to \$500 per ordinary school year will be paid by the government. Also, you will receive \$55 a month living allowance; \$90 a month if you have dependents.
- Q. What about family allowances?
- A. For men enlisting or reenlisting now, family allowances will continue until six months after the war is officially ended.
