How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

- FAST ACTION** Your loan application is acted on promptly. No co-makers or endorsers are necessary and you don't have to be a depositor in order to borrow here. You choose your new car, borrow up to two-thirds of its cost from us, (somewhat less for used cars) and pay cash for your purchase. You can shop around and buy from any dealer.
- LOCAL SERVICE** You buy your car from a dealer you know, borrow from our bank, and place your insurance right here at home with a home agent of your choice where you can depend on getting prompt, on-the-spot service whenever you need it.
- EXTRA BENEFITS** By meeting your monthly auto loan payments regularly, as agreed, you can help build your bank credit for the future — an asset that will prove valuable to you again and again.

Before you finance your next car anywhere, compare the complete cost of other plans — including finance charges, fees, commissions, extras — with a similar transaction here. Then choose the plan with most benefits. We are confident a bank auto loan will be your choice.

Our charge for new car loan is \$5.00 per \$100.00, per year added to loan. Loans are repayable 15 months or less.

ARE YOU JUST A PLAYTHING OF NATURE?

Nature may endow you with breathtaking beauty, a lovely curvaceous figure. She may bestow gifts on you that make you a brilliant actress, a leader in your class at college, sought after at dances, or a charming wife and mother.

Yes, Nature may do all this. And yet you may find your face mockingly slapped if you suffer these distressing symptoms, which so many unfortunate girls and women do.

Something You Should Not Joke About!

So if female functional monthly disturbances are causing you to suffer from pain, nervous distress and feel weak, restless, so cranky and irritable that you almost turn into a "she-devil" on such days—this is something you shouldn't joke about. Start right away—try Lydia E. Pinkham's Vegetable Compound to get relief from these symptoms. It's the best thing you can do for yourself.

forget — Pinkham's Compound does more than relieve such monthly pain. This great medicine also relieves accompanying nervous tension, irritability, those tired-out, mean "pick-on-everyone" feelings—when due to this cause. Taken regularly throughout the month—Pinkham's Compound helps build up resistance against such distress—a very sensible thing to do. Just see if you, too, don't remarkably benefit! All druggists.
