Warsaw P. T. A. Holds Meeting

The Warsaw P. T. A. met for their February meeting Tuesday evening in the high school auditorium with Mrs. M. A. Smith president, in the chair.

Program chairman, Mrs. J. C. Thompson, opened the meeting with the Lord's Prayer and introduced the Warsaw Girl Scouts, who under the direction of their Scout Leader, Mrs. Eibert Matthis, put on an interesting program. Miss Peggy Mitchell, as mistress of ceremonies, introduced the scouts. Miss Peggy Kornegay gave the Scout promise and motto and Misses Molly Hipp and Naomi Eason quoted the ten scout laws. Miss Jo Anne Britt presented the history of the Girl Scouts to conclude the serious part of the program. Miss Mitchell introduced the recreational cast: Miss Betty Phillips, who presented her own impersonation of "I'm My Own Grandpa"; poem, by Miss Barbara West; recitation, Miss Joyce Whittle; song, "Buttons and Bows" by Misses Georgia Anne Hopkins, Patsy Kornegay and Ella Mae West; and Miss Eloise Lanier who gave a monologue in blackface.

Following the program, minutes were read and approved. Mention was made of the receipt of letters from legislators Vann, Rowe, and Outlaw, relative to letters written recently in the interest of the educational program.

Mrs. Graham Phillips was appointed as chairman of the summer round-up pre-school children's program. Mrs. G. S. Best was appointed chairman of the summer recreation committee to work toward a definite planned and supervised recreational summer program.

A nominating committee for officers for next year was appointed. The secretary read a report of the executive board to the effect of possibility of offering a short course in public school music to the Warsaw schools the remaining three school months. Mrs. Ben Bowden, talented musician, has offered her services three hours a day, four days a week, giving each room instructions for half hour periods. An outside teacher will be secured as the teacher of music for Warsaw school is not sufficient for an extra public school music teacher. Possibly civic organizations, church groups or individuals will be interested enough

to help meet this goal. If so contact the chairman, of the finance committee, Mrs. F. J. Baars at once.

A report was made on the progress of the temporary stage being erected at the Grammar school.

The attendance was much increased from that of the January meeting, although there is still plenty of room for improvement. The schools and children need the utmost co-operation of all parents and teachers. Parent, set aside the third Tuesday, March 15 at 8 P.M. for a date with your child at the Warsaw P.T.A.
