RESOLUTION

Whereas, on Wednesday, the 22nd day of June in the year of our Lord, 1949, the all-devouring scythe of Time cut the brittle thread of life of our beloved brother Henry Street Kornegay, Sr. He passed to the Great Beyond at the Goldsboro Hospital, Goldsboro, N. C., after approximately two years of illness.

And whereas, Brother Kornegay, was the first member of our lodge to pass away, therefore his departure has been an experience never witnessed before by the local members of the fraternity. He will always be missed by each member, who knew him best. His health caused him to remain at home during most of the meetings, but his heart and spirit was always present.

And whereas, we remember, he once related as to his first impression of Masonry: He said that, when he as a small boy saw a group of men at a funeral wearing white aprons, and was told that they were Masons. After being informed that the white apron was an emblem of innocence and the Badge of Mason, he realized through the years of maturity that a Mason must live a good clean and noble life.

Brother Kornegay did not become a member of the fraternity until recent years, but he was a man that lived a Masonic life, always being

unity in which he lived.

He was a member of the Presbyterian Church, and had served on the Board of Deacons for a number of years. He was a retired employee of the United States Government, having carried mail on a local rural route for a number of years, and was also a successful farmer.

Brother Kornegay was born in Duplin County, N. C. on the 28th day of September in the year of our Lord 1890. He was the son of Mrs. Zilphia Smith Kornegay and the late Joseph Fisher Kornegay.

And whereas, he was initiated in the Entered Apprentice degree on 30th day of July 1946, passed to the degree of Fellow Craft the 31st day of January, 1947 and Raised to the sublime degree of Master Mason on the 11th day of February, 1947.

The funeral services were conducted at the home by the Rev. J. M. Newbold, pastor of the Warsaw Presbyterian Church. Interment was made in Pinecrest Cemetery. The graveside services were conducted by Masons, being led by Brother James I. Reynolds, District Deputy Grand Master of the Ninth Masonic District.

Surviving are his widow, the former Effie Lee Smith and the following seven children: Henry Street Jr. of Atlanta, Ga., who is a Master Mason, Margaret Zilphia, Eva Belle, George Clontz, Robert Franklin, Peggy Anne and Matthew Justice of the home.

Having been a Mason on earth, we are confident that he has passed through the Pearly Gates into "The Temple" not made with hands, eternal in the heavens.

Now therefore, be it resolved that, we the members of Warsaw Lodge No. 677 in memory of our noble Brother, and in acceptance of his life, for the beauty and glory it has brought to us, do hereby cause a copy of this resolution as passed by this lodge, to be entered in the minutes of this stated communication and that a copy of same be presented to his widow, Mrs. Effie Lee Smith Kornegay; and by special request, a copy to be presented to his mother, Mrs. Zilphia Smith Kornegay and that copies be mailed to the press.

Adopted: Tuesday the 9th day of August A. D. 1949.

Arthur Apple, Master.
Q. J. Sutton Secretary.

Buyers Like 'Package' Cost Of New Home

The "packaged mortgage," in which equipment and appliances are included in the selling price of a new home, is widely appreciated by home buyers and is helping to keep the sale of houses at record levels, according to American Builder magazine.

Advantage of the packaged mortgage, American Builder explains, is that it enables the buyer to amortize the cost of equipment as well as the cost of the house itself over a long period of time. Less ready cash is needed.

A survey made by the trade magazine shows that 89 percent of new houses have built-in kitchen cabinets, 35 percent have gas or electric ranges, 28 percent have gas or electric refrigerators, 11 percent have automatic dishwashers, 20 percent have garbage disposal units and 34 percent have kitchen ventilating fans.

suits. Mrs. Laughton Albertson won low score prize, a bath cloth. Cold drinks, mints and nuts were served during games and at the end congealed salad and tea. There were two tables in play.

Healthful Device
A heating and ventilating device which mediates the air circulating in public buildings was recently demonstrated in Chicago.
