

Former Pastor To Hold Series Of Meetings At Red Hill Universalist Church

By MRS. JAMES A. WARD
 Another epoch in the history of the Red Hill Universalist Church is approaching. Beginning Wednesday evening, September 21st, at 7:30 o'clock, and going through Friday evening, a series of evangelistic meetings will be held. The Rev. Maurice Cobb, former minister of the Red Hill and Clinton Universalist Churches, will be the guest speaker. His many friends will welcome the opportunity of seeing him again. He is now pastor of a Universalist Church at Derby Line, Vermont, just a few miles from the Canadian border. You are cordially invited to come and hear Mr. Cobb preach each evening and bring your neighbors with you.

Following the series of meetings, on Saturday afternoon, September 24th, at 3 o'clock, on the grounds of the church the annual Ingathering Day Sale will be held. Mr. El-

liott Dudley, tobacco auctioneer, from Clinton, will again be the auctioneer. Contributions of items, such as quilts, cakes, canned goods, meats, vegetables, aprons, fancy needlework, tobacco, etc., to the sale are earnestly solicited. Your generous contributions help to make the annual event a success.

A 5 o'clock, following the sale, a barbecue and chicken salad supper will be served at \$1.00 per plate. The proceeds of the sale and supper will be added to the church building fund. Work has already started on the new church and before another year it is hoped that the building will be near enough complete to hold services in it.

The public is cordially invited to participate in these activities. The Red Hill Church is located ten miles south of Clinton on U. S. Highway 421.

From Our Readers Grady F H A Meets

To The People Of Duplin County: I appreciate this opportunity of expressing my views on the subject of consolidation of the High Schools of Duplin County.

The B. F. Grady chapter of the Future Homemakers of America held their first meeting in the home of the chapter mother, Mrs. Emmett Kelly and the chapter president,

No, this is not egotism. As a rule about the last person in the world who wants his picture in the paper is a newspaper man. He wants to run the other person's picture. But there has been so many favorable comments about this beard, and the wearer really is pleased that it has improved his looks, that he thought it would be cheaper in

the long run to publish it in the Times rather than have so many copies made for friends. It is especially dedicated to Mrs. Ella Womack, Miss Annie Kate Powell, Mrs. George Rollins, and Mrs. Blanche Wilson of Warsaw and Mrs. Davis Farrior, Mrs. Mary Williams and Mrs. Joe Wells of Kenansville J. R. G.

I believe we should consolidate a part of the High Schools into one School to be located in Kenansville. This would be one of the most progressive movements the people could make. It would be something that all of us would prize very highly. I do not think the people of Duplin County could spend their money more wisely than to give the young boys and girls an opportunity to a better education.

There is lots of undeveloped talent in the youth of our County. We should present an opportunity for this talent to be developed.

Also I think we should add to this High School a two year Junior College all to be supported by the County and State.

Anise Kelly on Thursday night, Sept. 1. During business a motion was made and passed that the chapter hold every other meeting in the home of one of the members. Other meetings are to be held at the school.

After business, a FHA quiz was given, Ila Marie Kornegay, vice president in charge. Only new members participated with Ruby Mae Powell winning a cake decorating set. At the end of the meeting the chapter mother served delicious refreshments and a delightful social hour was enjoyed.

Rare Tapestry And Art Collection Will Be Displayed During The Celebration

During the week of Sept. 19 an outstanding Tapestry and Art exhibit will be displayed in the Duplin County Courthouse in Kenansville. This is in connection with the County's Bi-Centennial Celebration and historical pageant. "The Duplin Story," written and directed by Sam Byrd, which will be given in the Amphitheatre in Kenansville on the evenings of Sept. 22, 23 and 24, at 8 o'clock. The Tapestries to be displayed are 16th and 17th Century Tapes-

tries. There will be some Beauvais Tapestries and some Brussels Tapestries.

The Art Display will include The Annunciation (Murrillo); The Madonna, and The Holy Family (Rubens). This will be a great opportunity for citizens of this part of the Country, including school children, to see an outstanding Tapestry and Art Collection.

Plan now to see The Duplin Story and this rare exhibit.

...By The Dawn's Early Light.

Inspired by the valiance of United States fighting men, succeeding in battle against mighty odds, Frances Scott Key wrote the anthem which we all love so well—The Star Spangled Banner. On this anniversary of the song which has come to mean freedom for all, let us pause—take heed of its meaning, that we might strive to make America even greater, tomorrow!
