retreads inside, at seat and knees. A retread - that is, an underneath stretch of firm but thin fabric -- is suggested also for the seat of a skirt.  
 A scarf protects the neckline of a coat against soiling as a washable collar does a wool dress.  
 An occasional rest is good for wool clothes. It allows the wool to spring back and wrinkles to fall out so less pressing is needed. Be sure wool clothes hang straight on hangers and not pressed too tightly in a closet. They need space and air. When brushing, give attention to seams, turn down cuffs and open out pockets.

 Read How These Folks Benefitted Who Had Such Deficiencies

**Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma,** suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the \$3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the REAL CAUSE of stomach distress [gas pains, heartburn, indigestion after eating] due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

**Mrs. Mabel Kitchen, 1650 Anderson, Cincinnati, Ohio.** "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL CAUSE of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

**Mrs. J. Selajinski, 514 Kruger, Ottumwa, Iowa,** writes: "My daughter, Marilyn Sue, is 8 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results... she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great "builder-upper" for sick, nervous, puny kids whose systems lack precious Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

**Mr. Henry Angel, RD No. 1, Springfield, Ohio.** "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the REAL CAUSE of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you? Start taking it today!)

**IMPORTANT!** Why don't you see that wonderful HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief -- because now it's possible to relieve the cause of such deficiency sickness with that wonderful new HADACOL. HADACOL not only supplies deficient systems with extra quantities of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese -- vital elements every human being must have to maintain good health. You owe it to yourself to give HADACOL a fair trial. Many doctors recommend this great new HADACOL. It's sold on a strict money-back guarantee. Trial size, \$1.25. Large family or hospital size, \$3.50.

**State College Hints To Home Makers**  
 Consider "prepares" in new wool clothes to save repairs later. Clothes will last longer, look better, require less mending, cleaning and pressing if they are given a good start and then good care.  
 Give a new dress underarm shields and sew in a piece of thin washable fabric over the upper back to keep oily soil from the dress. For coats, make shields of fabric that matches the lining so that these can take stains and rubs and be replaced when necessary. It's far easier and cheaper to put in shields early than to reline entirely the coat later.
