

### Wonderful Words of Life

A Poverty Stricken Youth Turns Hymn Writer

In 1848 a ragged little ten-year-old boy walked from his log cabin home in the woods of Clearfield County, Pennsylvania, to the neighboring town of Rome. He had brought a basket of berries to sell so that he might add a few pennies to those he was saving to buy a cheap violin.

Songs... for which his royalties ran more than \$30,000, the boy who had once been denied the luxury of hearing a piano, wrote:

Sing them over again to me,  
Wonderful words of Life;  
Let me move of their beauty see,  
Wonderful words of life,  
Words of life and beauty,  
Teach me faith and duty;  
Beautiful words, wonderful words,  
Wonderful words of Life.
