THE CHRYSLER IMPERIAL 6-PASSENGER SEDAN

YOU'LL FIND IT EVEN BETTER THAN YOU'VE HEARD!..

It's been many years since a new car has caused as much talk as today's Chrysler Imperial has. What you may not realize is how long it's been since a car gave so many reasons for excited talk as this one.

May we invite you to drive and test the best and most worth-owning engine on the road today? (Chrysler's magnificent new 180 H.P. FirePower V-8.)

May we invite you to handle the easiest and safest steering wheel in existence at the moment? (Chrysler's full-time Power Steering.)

May we invite you to try out brakes which require as little as one-third the usual foot-pressure, and still stop you in many feet less than other cars do? (Chrysler Power Brakes.)

May we invite you to sit on the most comfortable seat cushions, and enjoy the fullest window vision you can find? May we invite you to ride on the rough-road miracle of the Oriflow shock absorbers which only Chrysler-built cars have?

May we invite you to drive a Chrysler Imperial... and learn how much you'd miss, and deeply regret, if you bought another car today without knowing this one first?

We... and Imperial by Chrysler... are at your service, any time.
