But most of all, because Buick this year is a performer like no earth-bound vehicle ever was before...

Because Buick—and only Buick—has the airplane-principled magic of Variable Pitch Dynaflow* where you switch the pitch for big gas savings in cruising—or for whip-quick getaway response and acceleration when you need a sudden safety-surge.

It's sheer thrill, and pure pleasure, and a big boon to your gasoline budget—and you really ought to try it.

Come visit us soon—this week, at the latest—and see for yourself why this is the car folks just won't do without—the biggest-selling Buick of all time.

*Dynaflow Drive is standard on Roadmaster, optional on other Series.
