# JOHNSON FERTILIZER

## THE BEST I HAVE EVER USED

MR. GRAHAM BRINKLEY of Wallace Route 2, one of the most successful farmers of the Deep Bottom Section says, "I have used JOHNSON FERTILIZER for all my crops for 6 years and it is the BEST I have ever used and if some other Company would give me my Fertilizer FREE of charge, I would still use JOHNSON because I know there is none better."  
"For 1956 I produced 2000 pounds per acre with an average of 60c per pound."  
BELOW IS MR. BRINKLEY'S TOBACCO CROP FROM PLANT BED TO MARKET.

MR. GRAHAM BRINKLEY uses JOHNSON 4-9-3 IMPROVED PLANT BED SPECIAL and says, "I have always made plenty of nice strong, sturdy Tobacco Plants with roots that look like a hand full of moss. It is easy to get a good stand when they are transplanted in dry weather."

MR. BRINKLEY says, "I use JOHNSON 3-9-6 TOBACCO DICTATOR and always have a big nice crop of high quality tobacco. My Tobacco always stands the dry weather and ripens up just right to cure good."

MR. BRINKLEY says, "I am always proud of my Tobacco on Warehouse floors and receive top prices for all my crop."

MR. Farmer: You too can be the successful farmer of your territory, if you do as MR. GRAHAM BRINKLEY, Wallace, N. C., Deep Bottom Section recommends to all Farmers and use JOHNSON FERTILIZERS for all your crops.  
JOHNSON COTTON CO. of WALLACE, N.C. is now taking applications for Farm Financing. You can pay cash for Fertilizer Supplies and all your 1957 Farm and Home needs at the lowest possible rate of interest—A Real Money Saving Opportunity.  
MR. FARMER: Be sure and register for the Big Lounging Chair that will be given away FREE to some lucky Farmer April 15, 1957. If you are the lucky Farmer whose name is drawn you will receive FREE all the Fertilizer you have purchased up to five tons.
