

Vaccine Has Been Given To About  
Per Cent of Eligible Ones Under 20

More than one-half of the Salk to reach an estimated 96 per cent of the population has been given to an of the eligible population who have not received 70 per cent of the eligible received no vaccine and to reach a total of 90 per cent of the population (under age 20 and pregnant women) in North Carolina, an even larger group of 50 per cent of the population in North Carolina, and-or third inoculation,' said Dr. Philip H. Hatcher, Health Officer, pointing out that this job must be done.
