EVERYBODY OUT...

Soon school books will be closed again for that long summer recess. Children will be out looking for things to do and places to play.

The community that has adequate recreational facilities, parks, playgrounds and pools has a head start in shaping Young America's future. For a summer recreation program curbs juvenile delinquency and molds good character.

Adequate recreational facilities, too, is an important factor to industry considering your town for a possible site.

Your Fine Carolina Committee could use your assistance now. Many towns already have plans for a summer recreation program. If yours does not, start an EVERYBODY OUT movement in your town now. You'll be surprised at what can be accomplished.
