While burning trash in her back yard something exploded and hit her about the eye. The eyeball was not cut but she suffered a severe injury about the eye. It was thought that the explosion was a light bulb. Warning: do not throw old light bulbs into a fire.

### KILLED RIDING PONY

Little Sam Scarborough, 10 year old grandson of Mrs. Rufus Bowden of near Warsaw was killed while riding his pony on his father's ranch near Mt. City, Mo. Sunday morning. Little Sam went for a ride on his favorite pony and in a little while the pony was seen at the barn without Sam. His father went to look for him and found him some distance from the home, dead with a broken neck. A rope was entwined around his neck. It was thought here that maybe he was trying to lasso some cattle. Further details have not been learned. He was the only son of Mrs. Scarborough who was the former Sarah Bowden. He is also survived by two sisters.

## J. Kenan Tigers Down Wilmington Wildkittens 6-0; W-RH Ties Edenton

BY JOE COSTIN

### TIGERS TRIP KITTENS 6-0

Down in Legion Stadium last Thursday night the Kenan High Tigers marred by numerous fumbles put on a 74-yard march to spoil the home debut of the New Hanover Wildkittens, 6-0 for the second victory in a row. The Tigers who trimmed the Fayetteville Jayvees, 20-7 last week tumbled away two scoring chances at the Kittens 2 and 12 and were halted another time on the 18. Johnny Godbold, Kenan High's 20 lb. fullback, bulled over from the one for the score after leading the attack which brought Coach Bill Taylor's boys down to the Wildkittens' six. A penalty moved the ball back to the 28. Buddy Lanehard and Gail Henderson took over and grinded down to the one and Wagon Wheel Godbold rolled over the middle for the tally. The try for extra points was no good. In the third period the Kittens marched 78 yards to the Tigers' 2. Their hopes of scoring never reach-

### EDENTON'S RALLY GAINS DEADLOCK WITH BULLDOGS

Edenton rallied in the opening minutes of the fourth quarter to gain a 12-12 tie with the Bulldogs last Friday night in a hard fought contest. The Aces staged another drive in the closing minutes but the time ran out on them. In the first period it looked like Edenton would have it easy going as they drove deep into the Bulldog territory twice, but let me tell you their hope died as the strong Bulldog line held. After being thrown back several times by the Bulldogs, the Aces finally hit pay dirt midway the second period. David Fletcher recovered a fumble on the Wallace 35. Edenton then moved to the Bulldog one with Marvin Ashley going over for the touchdown. The Bulldogs roared back after intermission with a two touchdown spurge in the third period to take a six point lead. Their first score coming after a 65 yard drive climax-

### BURGAW WINS 24-0 OVER WILMINGTON JV'S

Burgaw's strong running attack overcame the Junior Varsity of New Hanover High's better passing for a 24-0 victory last Thursday night in Burgaw. The Red Devils' led only 12-6 in the third quarter when Morris Herring, halfback, scampered 42 yards to a touchdown to give Burgaw an 18-6 lead. Herring, Burgaw's broken field runner, scored three of the Devil's four touchdowns. Big Pete Farrow, fullback, intercepted a Wilmington pass late in the game and raced 40 yards for the final score. Quarterback Leon Brogden, Jr., son of the coach, provided much of the Junior Varsity's offense with his passing.

## Warsaw Votes "No Beer"

Citizens of Warsaw voted against the legalized sale of beer by a two to one margin Monday in the largest election in recent years. The hotly debated issue drew 300 to the polls where 221 voted to keep the town dry. Two votes were discarded while 167 approved the sale of beer. Drys won by a single margin in the last 'beer election' held here ten years ago. A petition signed by 22 per cent of the registered voters called for the election to determine whether beer could be sold legally in the town. Approximately 80 per cent of all registered voters cast ballots. In the last municipal election, held during the Spring, only about 40 per cent of those eligible cast ballots.

## Duplin County's Biggest Liquor Still Destroyed In Glisson Area

The biggest liquor still ever discovered in Duplin County has been found and destroyed by the Duplin County Sheriff's Department. Sheriff Ralph Miller said today that the big still was found as the result of a tip in Glisson Township, about six miles northwest of Kenansville. Officers arrived at the still while it was running full blast, but the men operating the 15,000 gallon still escaped before officers reached the still. Chief Deputy Norwood Boone said it took four and one half hours to tear up the rig and remove the upright steam boiler from the site. Ten cases of liquor were removed and poured out and another 103 cases of one half gallon jars confiscated. Sheriff Miller said the still had a 500 gallon tank and liquor ran from the still in a stream about three quarters of an inch in diameter. Officers really upset the operators. When they arrived at the site, officers found cooked pork chops and scrambled eggs. One of the men who fled had taken one bite from his sandwich when he was interrupted. Water for the operation was pumped from a creek 75 yards away through a plastic hose and with a gasoline engine. The boiler was fired with coke and around 75 bags were found at the still. On the raid were Sheriff Miller, Deputies Boone, T. E. Revelle, Douglas Shivar, W. O. Houston and Murray Byrd. Deputy Houston also destroyed a 'nasty still' near Beaulville this week. The 100-gallon submarine type still was made with a galvanized bottom. The mash was contained in steel barrels. 'It was liquor that was bad,' Sheriff Miller said.

## Welfare Department Turns Attention To School Absenteeism In Duplin Co.

Ways in which the Duplin County Department of Public Welfare can encourage better school attendance this year in cooperation with public school authorities were discussed at a meeting of the Welfare Board according to a statement by J. B. Stroud, of Magnolia, chairman of the Board. Since there is no special school attendance officer in Duplin County, State law places on the department of public welfare the responsibility for enforcing the compulsory school attendance law. Mr. Stroud said. All agencies and the public generally are asked to help in this task. Referrals by the school authorities, after careful screening of the reasons for absence, are brought to the attention of the welfare department. The law is clear in requiring all children between the ages of seven and sixteen to attend school. The law provides for legal enforcement of this attendance, both on the children and their parents. Mr. Stroud said. However we want to investigate the causes of non-attendance and to remove these causes, if possible, rather than to invoke the punitive provisions of the law, the chairman said. We ask the cooperation of the public to this end. Many children are out of school because of individuals or family maladjustments, Mr. Stroud said. Economic or other problems in the home are often the causes of non-attendance. These and other needs make services of the public welfare department important in achieving and maintaining regular school attendance. We want the children of Duplin County to have the advantage of our good schools and to attend them regularly. Ways in which services of the county public welfare department are assuring regular school attendance include:

1. Conference with children who are absent and with their parents to determine causes of absences and ways to eliminate these causes.
2. Determining mental capacity of children unable to benefit from the regular school program.
3. Providing psychological examinations to children referred by their teachers for such service.
4. Cooperating with the juvenile court in providing services to children with special problems, including behavior difficulties.
5. Cooperation with the courts in determining legal custody or guardianship of children.
6. Issuing employment certificates to minors in keeping with child labor laws.
7. Providing financial assistance when need exists.
8. Certification and referral for special services, such as crippled children service, orthopedic clinics, eye clinics, Cerebral Palsy Hospital, and other medical and hospitalization needs.
9. Providing casework service in connection with problems of family relations.
10. Providing service to children needing care and protection through adoption, foster home care, specialized institutional placements, and other social services appropriate to meet the needs of the individual child.

## Elizabeth Ann Whaley Fund Is Now \$185.75

The Elizabeth Ann Whaley Fund now totals \$185.75, according to R. V. Wells, who is receiving the contributions in Kenansville. Wells, Clerk of Superior Court, said that contributions have come from several places throughout N. C. and Virginia. Elizabeth Ann was examined at Duke Hospital recently and doctors there advised Mr. and Mrs. Troy Horne, custodians, that they would observe Elizabeth Ann for a while before operating. She is now at home in Magnolia.
