PACKER'S SUPERETTE WELCOMES EVERYONE

Packer's Store, which is owned and operated by Mr. and Mrs. Sanford Packer and is situated on Railroad Street in the heart of Warsaw, has been in operation for 28 years.

The Store Building has been remodeled from front to back and has a building full of merchandise. It has been converted into a self-service store. It has a sanitary rating of Grade A meat market, and a Grade A Grill and lunch counter.

The store has been known for a long time and over a wide area, it has been famous for its Hot Dogs. The Packer's have been offered a large amount for their recipe for making chili sauce for their good hot dogs and hamburgers.

After the remodeling job, Mr. and Mrs. Packer stated, that the jobber and all of their friends and customers had been so nice and patient while they were torn up that they felt that they owed it to everyone to give them some wonderful bargains. So Friday and Saturday of this week, April 11 and 12 — just read the ad above.
