

Warsaw Little League Talk

By Joe Curtis

Now, what do we have to offer these fine young athletes when they become thirteen years old (those boys that went to Tarboro) as you know after that age they are out of Little League range. I'm going to tell you this again that we picked up their free time from the streets and worked real hard on character, strong body building, fair play, and getting along with others; then we turn them with their clean minds back into the streets, after two or three years in the Little League.

What I'm trying to say, our future community leaders should have organized play even more so at the age of thirteen than at nine. One answer could be a Pony League which would answer a lot of questions late in the afternoon. I know we tried it several years ago.

Yes, we are the defending champs in Eastern North Carolina, if you remember. How proud we were of our boys in Tarboro last year and the real big send off we gave them. We deserve a little credit there, but at the regular games and important meetings held... we just can't find time, Junior.

Now, we lose such stars as Mickey Walker, Larry Best, Ronnie Batts, Arthur Minsbew, Lynn Hilton, Harold Lewis, Paul Britt, Allen Boney only to mention a few. These boys need our help just as much this year if not more, and it is your duty Dad to get together with other fathers and come up swinging.

This past Monday afternoon twenty-eight young baseball prospects turned out for "tryouts" the largest opening day crowd in the four year history of the Little League here. That just goes to show you that our boys need that special training during the summer months and they are turning out for our guidance. What age? ... all ages.

At the meeting this week the same slate of officers headed by Rudolph Best was elected. Others attending were A. Draughan, Sr., Charles Tanner, Ray Davis, Paul Hunter, Paul Britt, Paul Potter, S. A. Jones, Ted Wilson, Gene Holland, E. B. Boyette, Elbert Mathis, Mrs. George Sutton, Mrs. John Cook, Mrs. Solon James, Mrs. Leland Braswell, Mrs. H. C. Allen, Mrs. Adin Powell, and two or three others I failed to get.

Thursday night of this week those twenty-eight boys will be divided among the Jaycees, Rotary, Lions, and Legion. They are selected by bidding on a point system set up by the Little League Baseball, Inc. National Headquarters. The Managers: Charles Tanner of the Lions, Allen Draughan, Sr. and Duke Mathis of the Legion, Gene Holland of Jaycees, and Ted "Casey" Wilson of the Rotary along with Player Agent Bill Taylor, will meet to bid on prospects Thursday night.

The Board agreed that all games will be played on the same field at the same time as last year (two and four with one change. The Little League Field will shift to the old Warsaw High Field, a great improvement I might add.

NOTE: Are you helping to get field in shape for open day May 31st.

3 Community Clubs Added In Duplin Negro 4-H Camping Days Announced

Community Development has gained new momentum in Duplin through the organization of three additional clubs, Dobson, chapel, Deep Bottom and Little Creek. The Senland Community Development program is designed to stimulate communities through competition to action that will result in making such a better place for people to live. It is the object of the program to have the entire community cooperate in increasing per capita income; greater security; improved educational opportunities; finer spiritual values; stronger community life; more dignity and contentment in country living.

All communities entering this program must make formal entry prior to June 1, 1961. Branch, charity and Teachey have been winners in prior years.

Officers for Deep Bottom are Willie Spearman, President; James Roosevelt Brown, Vice-president; Mrs. Hattie Spearman, Secretary.
