James Kenan Bows To Mt. Olive; 12-6

Coach Bill Taylor's rebuilding Tigers dropped a real heart breaker last Friday night to the fired-up Panthers of Mt. Olive, 12-6 in an important East Central Conference clash. It was the first loss the Tigers have ever suffered on the home field. And I might add this would have been twenty-one straight for the Tigers.

The Panthers seeking a little revenge for last year's 20-0 licking by the Tigers; came to Tiger Field fired and ready to take a little edge off the highly regarded James Kenan team.

Both teams battled on even terms most of the first half with the Panthers getting inside the Tigers 10 yard line only to have a penalty kill the drive short of a score.

James Kenan marched down inside the Panthers 20 twice but penalties stalled the Tigers.

In the third quarter Mt. Olive marched 50 yards to score with back Dallas Sutton going over from the two to put the Panthers out front 6-0. The try for the point failed. The drive was high-lighted by the passing of quarterback Jimmy Wood to Steve Denning.

The Tigers came right back and drove 78 yards to tie the score 6-6.

Mt. Olive kicked to the Tigers 8-yard line and halfback Billy Vann returned it to the James Kenan 33. Fullback Jimmy Strickland picked up five through the middle. Halfback Sammy Henderson picked up a first down to the Tiger 44. On

Tailback Edgar Warren, again, lead the scoring for the game with three touchdowns.

North Duplin Edges Farmville; 12-7

Late in the fourth quarter with the time running out North Duplin recovered a Farmville fumble and turned an almost 7-6 defeat into a 12-7 win. With only 49 seconds left in the game halfback Roger Mazingo passed to glue-fingers Glenn King in the end zone for the winning touchdown.

The Rebels win over Farmville made it three in a row for Coach Richard Kaleel's eleven.

Farmville scored early in the 1st quarter on a pass from Danny Dilda to Dan Quinn that went for 35-yards. Dean Oglesby passed to Red Hodge for the extra point.

The Rebels threatened in the second quarter after recovering a Farmville fumble on the six yard line. North Duplin was unable to advance however and lost the ball on downs.

In the third period the Rebels came back to score their 1st touchdown on a 45-yard end run by halfback Mazingo. The extra point attempt failed.

In the fourth period it looked like the visiting Farmville eleven had the game in the bag. But a coaches nightmare in the form of a fumble gave the Rebels possession of the ball once again with only seconds left in the game.

The Rebels gained 240 yards on the ground while holding Farmville to only 97. In the air North Duplin accounted for 110 yards rolling up 14 1st downs. Farmville had 6 1st downs. Mazingo was the leading ground-gainer with 118 yards. Marvin Swinson had 67, Harold Thomason 21, and King 17.

Outstanding on defense for the Rebels were: Bobby King, Dewey McCullen, Billy Tadlock, Wayne Lewis, Elwood Smith, and Ronald Oates.

Camp LeJeune Nips Beulaville; 7-6

Camp LeJeune held on to a slim extra point after touchdown in the second quarter last Friday night in Beulaville and handed the Panthers of Coach Irvin Dobson their second loss of the season 7-6.

Beulaville, now tied with Mt. Olive and North Duplin for first place in the East Central stand at 1-2, losing to strong Wallace-Rose Hill and to the Devil Pups.

Halfback Dick Buke returned a punt to his own 35 yard line. Two first downs and seven plays later, fullback Mickey Fridley dived over left tackle for pay dirt and halfback Paulson Webb ran the clincher.

Beulaville, hungry for revenge, held LeJeune at midfield when they failed to make a first down on their fourth try. With time against him, star quarterback Jerry Simpson ran outside and went all the way only to have it called back for a clipping penalty. He made it count on fourth and long yardage from four yards out. It wasn't enough as his try for the extra point on a run fell short. The touchdown drive was set up by a 35 yard pass play from Simpson to end Joe Jackson, that put the Panthers inside the Devils

four yard line. LeJeune led in first downs 11 to 10 and in rushing 154 yards to 107. Beulaville completed 5 of 14 passes for a gain of 95 yards while the Devil Pups connected one of three for 8 yards.

Outstanding on defense for Beulaville were: Simpson, Guy Whaley, Earl Brown, and Rusty Lanier.

Editorial

(Continued From Front)

those other people ought to behave." But before you get too critical of others, if this second attitude happens to be yours, let us look deeply into our culture.

The time was when if any "rough stuff" happened it was out on the field. It is understandable that a boy who is overanxious will hold illegally or unintentionally clip an opposing player, yet, even on the field, there is no excuse for the throwing of fists or deliberate tripping with the feet. Believing that Duplin County has a fine bunch of boys who will play it hard and fair I move on, then, to sportsmanship in the stands and You-John Q. Spectator! All the tackles are not made on the field, for some are made in and behind the stands. There is no excuse for a full scale scrimmage in the stands.

This business of shouting to one of our players, "If you don't break his leg, I'm going to break your neck" is inexcusable. This business of piously saying to our players, "Sportsmanship is more important than winning", and then going out and demonstrating by our actions that we are unadulterated liars and do not mean a word of it is not helping our boys. Such foolishness divides communities and makes fools out of individuals. Where is our common sense? Where is our civic pride? Each of us can either contribute to the strength of our community or destroy the life of it by our actions. Which will it be?

I am one of the strongest fans in Duplin County and believe in our fine boys more than many, but no football is worth losing one's self respect, fighting, or arguing. No team can win them all. If they lose it doesn't mean they haven't tried. Our capable school officials and fine coaching staff and the boys who give it all they've got need our enthusiastic support. But let us not express it in negative ways. You can lead young people only by leading them positively.

As a little boy might say with inaccurate but expressive English (If I May Wax Poetic):

"Are we men are are we mouses?
 One thing's for sure, we act like louses,
 Let's show our virtue and not our voices,
 By acting like man not like mices"

Negro Community Development Clubs Hear Long And Spaulding At Meet

R. W. Long and J. A. Spaulding sized that good planning is the key were guest speakers at a special meeting of the Negro Community Development clubs. The meeting was held at the E. E. Smith School in Kenansville. The meeting was designed to aid clubs in planning a more effective program in community development. Long, emphasized homes, churches, schools and all

civic organizations did not profit by such an organization that there was much to be desired. Clubs have been organized in Branch, Teachey, LittleCreek, Dobson Chapel, Charity and Deep Bottom communities. Robert Alderman, heads the Teachey group; Coy Farris, is president of the Little Creek Club; Theodore Branch of Branch is in charge of the Branch club; Willie Spearman is president of the Deep Bottom club; O. C. Dobson, heads the Dobson Chapel Club and Vincent Carr of Charity is president of the Charity organization.

Community evaluation or judging will be held in each community in November. All clubs are a part of the six county SENCLAND Area Development Association.
