 Mt. Olive At Aycock High
 Beulaville At Swansboro
 Wallace-Rose Hill At Burgaw

JAMES KENAN OVER-POWERS CLINTON, 20-6
 James Kenan's highly regarded Tigers stepped up out of their class for the fifth time this season last Friday night and handed the Class AAA, Dark Horses of Clinton a 20-6 abjecting. If you will check the East Central schedule, you will find the Tigers are the only team in the conference to challenge such outstanding teams . . . if you know

what I mean. Even with the tough schedule, James Kenan has still compiled an over-all 7-1 record. They have a 2-1 East Central record. With wins over North Duplin and Burgaw and the lone loss coming from weak schedule Mt. Olive on a real bad night for the Tigers . . . if we could just get one more crack at them I would bet my bottom dollar that tears would flow in lower Wayne. I'm of the same opinion as the Panther's Coach McClenney, said, earlier in the season "Mt. Olive just has a fair team and does not belong on the same field with James Kenan."
 Well enough of what could or should have been done, as an old pro says, "water under the dam." In this past week's game with Clinton, James Kenan threatened early in the opening quarter driving 60 yards to the Dark Horses 9 before the big Clinton line forced the Tigers to try a field goal, that was just a little wide.
 But early in the second period James Kenan recovered a Clinton fumble on the Dark Horses 42 yard line and marched 58 yards to score.

The drive was climaxed with full-back Jimmy Strickland plowing up the middle for 2-yards and the TD. Neal Mitchell's try for the point was blocked by Trent Holland, but James Kenan left at the half leading 6-0.
 The Dark Horses crossed the middle field strips only once in the first half as the Tiger forward wall held them to only 30 yards rushing. In the opening minutes of the third period James Kenan again hit pay dirt as halfback Bobby Phillips dived two yards into the end zone to score. The touchdown was set up on a 27-yard pass from quarterback Jimmy Dixon to end Johnny Pridden. Late in the same quarter halfback Sammy Henderson intercepted a Clinton pass on the Dark Horses 41 yard line and returned it 12 yards to the James Kenan 47 as the quarter ended. In just three plays quarterback Dixon hit Mitchell in the end zone for the Tigers final tally. Mitchell added the point to make it 20-0.
 Late in the final stanza the Dark Horses marched from their own 17 yard line to score on a pass from quarterback Bill Nelson to end James Pollock. Fullback Glenn Clark's extra point fell short. The Dark Horses, and they were really that, kicked off to the Tigers and the gun sounded to bring the first victory for a Warsaw or James Kenan team over Clinton in almost two decades.
 James Kenan led Clinton in first downs 11-7, and 190 to 160 in total yardage. The Tigers completed 3 of 5 passes for 94 yards, and Clinton connected on 4 of 8 for 90 yards. One of those passes for the Dark Horses, good for 33 yards was not complete, it was ruled interference.
 Outstanding for the Tigers along with Allen Fountain and Billy Knowles were: Mitchell, Henderson, Johnny Harmon, and Walter Bostic.
 This week Coach Bill Taylor and his staff has been working over time with the boys in preparing for an all important contest with Richlands schedule for Tiger Field Friday night. Coach Taylor, stated, "this could very easily be the toughest game of the season for us". He went on to say, "the boys were up for the Clinton game and I can only say I hope they are up for the Wildcats."

45 yard line of Beulaville and then raced 33-yards for the winning touchdown for Roseboro stalled the big red-and-white.
 Beulaville led in first downs 11-7, and in rushing 172 to 142. Beulaville completed 6 of 11 passes for 64 yards and Roseboro connected on 4 of 11 for 115 yards.
 The Panthers travel down the coast to Swansboro this coming Friday night.

NORTH DUPLIN EDGES RICHLANDS, 7-0
 Coach Richard Kaele's North Duplin Rebels evened their season in the East Central last Friday night nipping the Wildcats of Richlands, 7-0, in an important conference clash. The Rebels now have a 2-2 conference record and an overall 5-3 standing. Richlands has a 1-2 East Central record and, I might add here, the two losses were much closer than would be expected. They lost to second-place Beulaville earlier in the season 7-6 and to ND 7-0, this past week.
 In the North Duplin game the Wildcats battled the Rebels on even terms for three quarters. And early in the final period moved to North Duplin's three yard line. They were unable to move the ball for a score and that edge turned the tide for the Rebels.
 The North Duplin touchdown came just before the game ended a long pass from halfback Rozer Mazingo to fullback Marvin Swinson. Mazingo passed to end Ronald Oates for the extra point.
 The forward wall of the Rebels as well as the Wildcats played one of the outstanding games to date in the conference, as an old Rebel fan put it.
 Of course North Duplin will have to really be up to par this coming Friday night as they take on the strong Red Devils of Erwin in the annual "Homecoming Game" at Grubbs Field. The Wildcats travel to Tiger country for what promises to be one of the most exciting games in the conference this year.

BEULAVILLE FALLS TO ROSEBORO, 20-14
 Roseboro scored first and went on to defeat Beulaville 20-14 in a non-conference game played on the winners field last Friday night. The Panthers with a 2-1 conference record and a 4-4 over-all lead at the half 7-6, on the running and passing of their star quarterback Jerry Simpson.
 After battling to a stand still in the first quarter Roseboro's quarterback Henry Essey completed a 25-yard pass to Bobby Warren for the touchdown. The try for the point failed.
 Beulaville roared back as Simpson got off a 60-yard gallop off tackle, and then passed 23-yards to the one yard line. He scored on the next play and passed to halfback Ricky Simpson for the point to lead at intermission 7-6.
 In the third quarter Roseboro recovered a Beulaville fumble that set up Roseboro's second tally. Quarterback Essey passed to end Glenn Herring on a 33-yard carry for the score. Donnie Naylor ran the point.
 Things still seem to be going good for the visiting Panthers, as they moved the ball pretty good up and down the field, but an interception by Henry Turlington on the

very great danger of fire and explosion.
 4. All types of personal contact between visitors and patients, such as shaking hands and kissing, should be avoided since this is the manner of spreading common diseases. A patient is in a weakened condition and is susceptible to contracting a disease. This is especially true of diseases of childhood such as measles, mumps, etc., and this is why children under fourteen are not permitted at any time to visit.
 5. For sanitary reasons, visitors should not sit on or lay their coats and hats on patients bed or covers.
 6. Visitors should refrain from discussing subjects that would worry patients, such as World affairs, sickness at home or troubles. Conversation should be light and as gay as possible.
 7. It should also be remembered that some of the patients in the hospital may be very seriously ill and moving through the corridors, to the elevator should be quiet, not boisterous talking which might bother patients.
 8. Unfortunately the hospital must continue to care for the patient during visiting hours and many times the nurse will have to ask visitors to step out of the room. Immediate compliance to the nurses request is expected so that the patient and nurse may get the procedure over as quickly as possible.
 These regulations may be a hardship to some persons not aware of the changes but hardship or not, the patients welfare must come first and the doctors have insisted that these regulations be put into effect immediately. Hospitals all over the country are having to make changes in the visiting, for the patients welfare and all persons who wish their relatives and friends the best of care should comply with these suggestions.

FHA Rural Housing Program Extended Now Includes Small Rural Communities

Families living in small towns and rural areas and on farms now can have housing comparable to that of city families, Bertie A. Parker, Jr., Duplin County Supervisor for Farmers Home Administration, said today.
 "The recently enacted Federal Housing Act of 1961 now brings a home loan program within the reach of thousands of rural families. Domestic farm labor including migratory laborers stand to benefit also," Mr. Parker said, "since for the first time the Farmers Home Administration may insure loans to provide them with better housing."
 More than \$40 million has been authorized over the next four years for the rural housing loans, and loans totaling \$100,000 for farm labor housing may be insured.
 Rural housing loans are limited to farm owners and to owners of non-farm tracts in rural areas and small rural communities with populations of not more than 2,500. This means that these loans can now be made anywhere in Duplin County. This credit may be extended to construct, improve, or repair rural homes and related facilities, or farm service buildings, or to provide water for farmstead and house hold use.
 In addition to major construction, funds are available to modernize homes - add bathrooms, central heating, modern kitchen, and other home improvements, as well as to

enlarge or remodel farm service buildings and put in related facilities such as paved feedlots, yard fences, and driveways.
 The interest rate is 4 per cent per year on the unpaid balance of the loan. Loans may be scheduled for repayment over periods up to 33 years.
 The proposed housing must be adequate to meet the family's needs yet modest in size and design.
 The Farmers Home Administration does not compete with regular commercial lenders and applicants must be unable to get the credit they need from other sources. Applications for loans are made at the county office of the Farmers Home Administration located in Kenansville.
 The agency officials review the building plans and inspect the housing construction as it progresses in order to guarantee that the borrower obtains sound and acceptable construction.
 In addition to housing loans, the Farmers Home Administration also makes loans to farmers for farm and home operating expenses, buying and developing family farms, carrying out water development and conservation work, developing small watershed projects, and for emergency credit needs in cases where farmers are hit by a natural disaster such as floods and droughts.

"Most of the big grain seed planted in the state comes from neighbors of the producers," says McLaughlin. "The farmer's neighbor is his worst source of seed, usually."

For 75 cents more an acre, small grain producer can insure that he'll get a good crop of grain. That's all it costs to buy certified and tested seed.

"A yield of just one bushel more per acre will pay the difference, McLaughlin points out.

Chances are the yield will be far better than that. In South Carolina last year, experimental plantings proved that certified oat seed yielded 11 bushels more per acre, barley 16 bushels more and wheat four and a half bushels more than non-certified seed.

Small grain planting, the major post-harvest activity of Tar Heel farmers is a couple of weeks late this fall. Producers have put off planting, hoping for rain that would make the fields plowable.

"The lateness of planting is even more reason for sowing certified seed," says McLaughlin. "Good seed will cut the risk of plant damage from cold weather."

Certified seed, he says, will come up and grow off well. It will mean plants with good root system, resistant to the ever-present soil organisms in the cold months.

One reason of growing importance for planting certified seed: More and more farmers are finding that early-bearing small grain is an excellent crop to plant in rotation with tobacco.

"The tobacco producer wants to take no chances on weeds from non-certified seed in his tobacco fields," says McLaughlin.

Another strong reason, especially

for wheat: "Many of the mills in the state refuse to buy wheat that's weed-choked or the wrong variety," McLaughlin says.

Look for that blue tag when you buy seed. It's on all bags of genuine certified seed.

Muslem To Speak
 (Continued From Front)
 A Muslem will speak at the Fifth Sunday Rally of the Universalist Church of the Universalist Association, discussion groups for adults and youth, and a play group for younger children.

Rev. Kenneth K. Marshall, minister of the Outlaw's Bridge Church, explained this program. "Universalists have always stressed that God is the Universal Father of all men. Revelations of His love and activity are found in all religions. Jesus is one of many prophets of high religion. As we live today in 'one world' it is imperative for us to recognize and appreciate the religious and ethical insights of other cultures."

The Universalist Convention of North Carolina, affiliated with the American Unitarian Universalist Association, is composed of six churches, all located in eastern Carolina. Organized Universalist work began in North Carolina in 1837. Also, there are nine other churches and fellowships in North Carolina affiliated with the Unitarian Universalist Association which is a recent merger of the Universalist Church of America and the American Unitarian Association.

Rev. Marshall extends a cordial invitation to the public to attend this Rally.

Trial and Error

(CONTINUED FROM FRONT)
 Next of our visitors was Dr. James Blackmore of Warsaw. Dr. Blackmore is a Baptist Minister who retired to devote his full time to writing. James and I graduated from Warsaw High School along about the same time, and I suppose that is about the first time we have met since high school days, and the funny thing is that we recognized each other. At present Dr. Blackmore is writing a biography on Dr. Callum. He is interim pastor at Johnson Baptist Church near his home and plans to fill other pulpits when needed, so he will still be in the field of ministry part time.
 Another of our visitors this week was Christ Vest, a salesman. Christ has been coming through this area for the past 20 years and we always look forward to chatting with him. But the funny thing about this visit was the last time he visited us, he had some hair, and this time it is all gone. Christ said, "Look at my head, my hair fell out all of a sudden, and you know my head just about freezes."

Our Linotype operator Earl Stroud is back with us again. Earl was out for two years serving Uncle Sam in the army. He was stationed in Germany for quite a number of months. Earl thinks Kenansville and Duplin County is a mighty pretty spot. I believe Earl also thinks the Linotype
