Feb. 23
Miller Mott at North Duplin
James Kenan at Mt. Olive
Chiquapin at Union
Beulaville at Dixon

The Beulaville Panthers invaded the Kenansville gymnasium last Friday night and upset the once-beating Tiger boys in overtime, 47-46. The Panthers' girls continued undefeated as they swamped the Tigers, 47-19. It was the eighth straight victory for Coach Irvin Helton's girls in the Duplin County Conference. It was also their fifth straight win of the season.

The Panther's star Rita Sumner hit 23 points to lead the all winning team. Pat Sanderson was second with 13. Joyce Barnes collected 11 for the Tigers.

In the boys game James Kenan stayed ahead by 6 at the end of the first quarter, 13-7. But Beulaville came back to within 5 at the half. In the third JK pulled ahead by 12, 28-20 and held a 11 point lead at the start of the final period. In the fourth Ricky Thomas and Jerry Simpson led the on charging Panthers. Simpson tied the score 43-43 with 41 seconds left in the game.

In the overtime Simpson hit for Beulaville to make it 45-43. Johnny Pat Harmon hit a free shot to make it 45-44. Then the other half of that Simpson combination (Ricky) clinched it 47-44 on two free shots. Neal Mitchell put in the final goal for James Kenan with six seconds left on the clock.

Beulaville hit on 69 per cent of

their shots from the foul line and James Kenan hit on only 39 per cent. The Tigers hit on only two shots from the charity line out of 13 in the fourth and overtime. Simpson (Jerry), scored 24 points for high honors, Charlie Lanier had 8, and Ricky Thomas 7. Mitchell collected 21 for the Tigers high. Harmon had 9, Allen Fountain 6, Dwight Smith and Buddy Pope 5 each.

The Chiquapin Indians and B. F. Grady Panthers split a doubleheader last Friday in a conference clash. The Grady boys upset the Indians 63-50 in a real thriller. Coach Jerry Thigpen's girls just edged the Grady team 47-44.

The Chiquapin girls had to come from behind in the fourth quarter to stay tied with North Duplin for second place in the conference. Trailing by 10 points in the final quarter, Clara Whaley set the pace over scoring Grady 20-7 in that final period. Whaley collected 28 points for the winners and Judy Smith led the Grady attack with 16.

It was sad news for the high flying Indian boys as Donald Grady and Gary Harper lead the Panther to their second win over Coach Jack Carr's team this season. Grady scored 23 points and Harper accounted for 16. Gerald Batts lead the Chiquapin attack with 21 points. James Brinkley had 14 for the Indians.

James Kenan and Wallace-Rose Hill split a doubleheader Tuesday night of this week over in Kenansville. The Lady Tigers lost a real close one 27-24, but Sandy Chestnut came off with high honors for JK. Sandy scored 17 points for James Kenan and Joyce Barnes collected the other 7.

The Tiger boys had to come from behind to take the measure from the Bulldogs, 55-43. James Kenan trailed 26-23 at the half but came back strong in the third and fourth to win with ease. Mitchell, the Tigers sharp-shooter led all scorers with 25 points. Johnny Pat Harmon had 13, Allen Fountain 10, and Woody Oakley 4. Pete Warren and Wayma lead the Bulldogs with 16 and 10 points respectively.

It was the second straight victory over the Bulldogs for the Tigers.

Human life is a constant want and ought to be a constant prayer. - Samuel Osgood

Duplin Political

(Continued From Front)

ture, said in announcing his candidacy, "From personal experience, I know the hazards of farming and the difficulties of business. I know the need for industry to absorb the many unemployed in the area who, through no fault of their own, are unable to find work. By bringing in industry and moving forward in agriculture, we can create a better balance in the economy of our section to the end that all of our people may progress. If I have been blessed with any talent, I shall, subject to the will of the voters, use them to advance those which are good and acceptable."

Cording is married to the former Helen Rhudy, of Virginia. They have three children. He is an Elder in the Wallace Presbyterian Church. Leroy Simmons has also said he will seek the Senate seat but has not made any official announcement.

Three of the incumbent County Commissioners come up for election in May and one already has announced opposition. Kenneth Grady's seat on the Board is being challenged by Aldine Whitfield, from the Rones Chapel Community in Wolfscrape Township. The second District is composed of Alberson, Wolfscrape, Glisson and Smith Township. Whitfield is a former and fertilizer dealer.

Grady has not yet announced his intentions.

Leon Brown, of Beulaville, from District three an incumbent, has announced that he will seek re-election to the Board of Commissioners. He has served as a Commissioner for 10 years. The Third District is composed of Limestone and Cypress Creek Townships.

Willard Hoffer, of Wallace, an incumbent, has not announced his intentions on the upcoming Commissioners race.

Corner Hector McNeil, of Warsaw, has announced that he will seek re-election to succeed himself. Jerry Smith, a member of the County Board of Education, comes up for re-election this year.

vices, spending approximately three months of each year in each of the four territories.

Colonel Miller is in constant demand as a speaker for Churches, service clubs, radio and television. He has spoken to around 700 different service clubs, and will be the guest speaker at Rotary in Kinston on February 15, and at the Kiwanis Club meeting on February 16. He will be speaking in the Chapel programs at most of the local schools, and the high school in LaGrange in addition to his preaching in the local Corps or Church. Colonel Miller

How To Speed Social Security Benefit Checks

Everyday someone who has filed for social security benefits asks,

"When will I receive my first social security check?" You can easily cutdown on the time it takes to receive the first check announced Ed Deese field representative for Duplin County. This can be done by bringing certain evidence with you - when you first contact us, i.e. proof of age, proof of earnings and proof of retirement. By bringing these things with you there should be no delay in receiving your first check.

Proof of age must be furnished, but it does not have to be a birth certificate. We can use your family bible, an old insurance policy, or other documentary evidence. Evidence of your 1961 earnings is required. If you are a self-employed person, a copy of your 1961 Federal income tax return is required along with evidence that the return has been filed with the Director of Internal Revenue. If you worked for wages in 1961, your withholding statement is necessary. Also, you must have evidence of your retirement.

If you are a farmer and lease your farm, bring a copy of the lease with you. Make your plans for retirement before filing your application for social security benefits. Mr. Deese also stated that sometimes persons are required to furnish proof of death marriage, and proof of age for their minor children. All of these necessary proofs should be brought with you when you first inquire about filing for social security benefits.

Use alone constitutes possession. - Jean de La Fontaine

Nothing in this world is so good as usefulness.

Pictured above are the newly elected officers of 4-H County Council. Left to right - Sandra Annette Carlton, of Warsaw President; Aubrey Kenan, Vice President, Wallace; Carolyn Murphy of Wallace, reporter; Edith M. Farrior, Little Creek, Secretary; Janie Moore, Asst. Secretary, Mooretown; Sylvester McCloud, Rose Hill Treasurer; and Evelyn Davis, Wallace Historian.

Officers Elected At Negro 4-H Council; Sandra Carlton Re-elected President

Sandra Annette Carlton of the C & M Club was re-elected County Council President last Wednesday night in one of the largest turnout on record. Young Miss Carlton, a freshman at Douglas High School edged the runner-up Aubrey Kenan of Wallace by 16 votes. Over 150 officers, members and leaders were in attendance. Seven candidates were in the field. Kenan in his first bid for a County-Wide elective office used many of the professional political techniques including handouts, posters, and Caucus in massing the 2nd highest number of votes in winning the No. 2 spot in the County. Other candidates for President were Carrie M. Kelly, Melvin Perry, Cleo Graham, Jessie Smith and Sylvia Usher.

Edith Mae Farrior of the Little Creek 4-H Club was elected Secretary, and Jannie Moore of the C & M Club was chosen for assistant Secretary. Sylvester McCloud was elected treasurer. Other candidates for Secretary were Geraldine Smith, Margaret Wilson, Jacqueline Kenan, Annette Herring, Thelma Williams. Carolyn Murphy is reporter for the County Organization. Other candidates for reporter were Terry Usher, and Fulton Bryant. Evelyn Davis of the Wallace Club is historian for the coming year. Jessie Costin gave an impressive talk on "How it feels to be a District Champion."

Miss Carlton completed the organization by appointment of the standing committees. Carrie Kelly of

Thumbnail Sketch Of Proposed Agricultural Program Which Is A Bold, New Approach

President John F. Kennedy proposed to Congress on Jan. 31 a far-reaching program of farm legislation designed to get producers of wheat, feed grains, and dairy products to accept strict government controls on their farm operations.

"The drift toward a chaotic, inefficient surplus-ridden farm economy will resume" unless prompt action is taken," the President said as he called for permanent farm legislation.

"The new commodity programs recommended could become effective only after they are approved democratically by a two-thirds majority in a producer referendum," he said. The digest of proposed legislation which was distributed at the time of his message made it clear that if farmers vote down marketing quotas on wheat and feed grains, there would be no price support program at all and huge quantities of government-held grains could be dumped on the market.

The President began his message by praising the school lunch program and said an expansion of the feed stamp program is "justified". Funds for such an expansion are included in his new budget, he reported.

Next, he proposed changes in Public Law 480 (originally known as the Agricultural Trade Development Act) which would drastically alter its original purpose as a surplus disposal measure. It would become more of a world-wide relief law. One proposed amendment to P. L. 480 would permit donations of commodities such as dried beans and rice which currently are not in the Commodity Credit Corporation's inventory.

A more far-reaching amendment would authorize the President to "negotiate and carry out agreements" to promote "multinational" programs for food assistance "with international organizations and intergovernmental agreements." This amendment would presumably permit the President to make agreements

would be distributed through the United Nations (in programs such as SUNFED - the Special United Nations Fund for Economic Development) or a World Food Bank.

After covering the subject of donations of food at home and abroad, the President outlined several new commodity programs which he asked Congress to adopt.

Feed Grains

The President called for "mandatory acreage allotment" programs on all feed grains (corn, grain sorghum, oats, and barley with rye included at the discretion of the Secretary.)

The digest of proposed legislation indicates that marketing quotas would be proclaimed for feed grains. Over-quota grain would be subject to cash penalties equal to 65 percent of parity - ever if fed on the farm. If farmers rejected marketing quotas in a referendum, there would be no price support programs for feed grains, and the Secretary would be authorized to dump up to 370 million bushels of Commodity Credit Corporation feed grain stocks on the market for unrestricted use.

Farmers growing less than 25 acres of feed grain could stay out of the quota program and plant up to their base acreage. Such farmers would not be allowed to vote in referenda. Farmers exceeding their feed grain acreage allotments on one farm would not be eligible for price support on any grain produced on another farm.

Producers would also be required to devote "to conservation uses" an acreage equal to the difference between their acreage allotments for feed grains and their "base period" acreages. The Secretary could permit these diverted acres to be grazed. Payments would be made for diverted acres, and farmers could voluntarily divert 20 percent of their feed grain allotment acres in return for payments.

Wheat

Mr. Kennedy proposed a wheat program to take effect in 1963, at

the same time as the feed grain program. It would be a three-price program, with two types of marketing certificates (for domestic and export use.) The three prices would be high for domestic milling wheat, indefinite for export wheat, and low for feed wheat.

Marketing quotas on wheat would be continued and producers would be required to retire acreage in proportion to the amount the national allotment is reduced below 55 million acres. There would be no price support program if quotas are rejected in a farmer referendum and the Secretary would be authorized to dump up to 200 million bushels of EOC wheat on the market.

Producers growing less than 15 acres of wheat could stay out of the quota program and plant up to their base acreages. Such farmers would not be allowed to vote in referenda.

Cotton

The President, in his message, outlined a two-price program for cotton. Farmers would be authorized to exceed their acreage allotments by 30 percent, but for cotton produced on the additional acreage they would net "approximately the world price."

Dairy Products

"New legislation to correct the shortcomings of the present dairy price support laws is urgently required," the President said. He proposed legislation to establish a marketing base for each producer. The Producer's yearly allotment would be a percentage of his base. Any producer exceeding his marketing allotment would do required to pay a surplus marketing fee. The digest of proposed legislation indicates that this fee could be as high as \$2.75 per hundredweight at the discretion of the Secretary of Agriculture.

If milk producers vote down the control program in a referendum, government price support purchases would be limited to \$500 million per year. The President recommended that producer allotments of quotas
