## APOSTLE OF THE BLIND

Jake's Snack Bar in Batesburg, S. C., is a very neat and inviting place in which to eat. Its owner, John 'Jake' Westmoreland, says there is nothing unusual about his place. And there isn't!

It is Jake who is unusual. He is a blind veteran of World War II and is living proof of what visually handicapped people are doing, the American Foundation for the Blind reported in recently conducted interviews with disabled veterans.

It is well to give when asked, but it is better to give unasked, through understanding.
