## Trial could well be utilized by beef cattle.

Aren't these few Spring days wonderful? They are sneaked in between the ugiy days in such a manner that we really appreciate them.

On display in the Register of Deeds office are individual pictures of the Astronauts, also a group picture and two pictures of Glenn. These were sent to the office in appreciation of some work that they had done for Mr. Neil Collier who went down to the Missle Base as a painter and is now working with the Astronauts. Mr. Collier is originally from Smith Township, in Duplin

The following letter was received by the TIMES this week. I am unable to help Mrs. Smetzer with this information as I have never heard any of the legends about Dr. Buzzard. Perhaps some of our readers can help her.

Letter to the Editor - Dear Sir: In the past year several newspapers in North Carolina have run short pieces concerning a wellknown South Carolina root doctor, Dr. Buzgard. As part of my studies in the Folklore Program at Indiana University I am doing a research paper on the legends which are now told about Dr. Buzzard. If any of your readers have biographical information about Dr. Buzzard, if any one knew him, or knows stories Thursday, March 22, was a busy-meeting for Duplin County Home Demonstration Club women when they met for County Council at the Accountral Building in Kenanspreciate it if he would write to me at the following address so that I might include this information in

my paper, Sincepely, yours, Mrs. Donald J. Smgtzer Folklore Program/ Libeary 41 Indiana University Bloomington, Indiana"

Also this week I received from A Duplin Visitor" the little poem which follows:

Pipes Pines protrude past perilous points White walls wade without.

All shout an aura acclaims, until utterly unctious uncles usurp Poros pods proclaim peace together through the thick tallness
