## Virgil Miller

Virgil Miller has been chosen as a participant in the Summer Institute for teachers of foreign languages to be held on the campus of Appalachian State Teachers College, Boone, North Carolina, June 14-August 7. This institute is sponsored by the U. S. Office of Education under terms of the National Defense Education Act.

The purpose of the institute is to improve the audio-lingual proficiency of the high school teachers of the country and introduce them to the newest teaching methods and techniques. The language laboratory at the college will be one of the key spots in the institute program.

There will be sixty participants, thirty teachers of French and thirty teachers of Spanish. These have been chosen from about three-hundred completed applications.

The participants will live as a group in a college dormitory and have their meals together. They will in general speak only the language they are studying, and most classes will be conducted in the language. Classes in conversation, language analysis, civilization, linguistics, reading and writing, methodology and laboratory techniques will occupy much of the time of the participants.

A series of lectures by nationally prominent specialists in language-teaching, a series of carefully selected foreign films as well as other activities will occupy many of the evenings.

Virgil Miller is the Spanish and French teacher in the Beaufort-High School now and will teach Spanish in the new East Duplin High School next fall.

Members of the Bar of the Fourth Judicial District have not selected Mr. Howard H. Hubbard for Judge of Superior Court. **THEY HAVE, HOWEVER, STRONGLY RECOMMENDED HIM FOR YOUR CONSIDERATION.**

Who is best qualified to recommend a man for a responsible position? We believe the answer to this is simple — those who know him professionally, who are aware of his abilities in his chosen field of endeavor, who have been associated with him and who are in a position to judge his qualifications.

Therefore, the fact that an overwhelming majority of the lawyers in the counties of Onslow, Jones, Duplin and Sampson have endorsed Mr. Hubbard for the Democratic nomination for Judge of the Fourth Judicial District should, we believe, be taken into consideration when you vote on May 26. His record as a practicing attorney, as a former assistant Federal attorney, as a former Superior Court Judge, and as a leading member of the Bar in North Carolina is an impressive one. We believe him to be eminently qualified for the position he is seeking.

We strongly urge his nomination in the May 26 primary. We feel confident that Mr. Hubbard will strengthen and uphold the finest traditions of the judicial system.
