

East Central Conference Football Round-Up:

East Duplin Defeats Arch-Rival Richlands 13-0; James Kenan Romps Over Dixon 37-6.

TIGERS TAKE ON MT. OLIVE FRIDAY NIGHT IN BIG EAST CENTRAL CLASH. EAST DUPLIN TANGLES WITH CAMP LEJEUNE WHILE NORTH DUPLIN TRAVELS TO FARMVILLE. BURGAW WILL BE AT RICHLANDS.

The running of fullback Jimmy Strickland and halfback Bobby "Scooter" Batts sparked James Kenan to a one-sided victory over non-conference Dixon Friday night at Tiger Field. It was the second straight win for the Tigers. Senior guard Brad Minshew blocked a Bulldog push and Billy Knowles recovered early in the first quarter down inside Dixon's 12 yard line.

Tiger Scooter Back Bobby Batts: A swift little 135-lb. Bobby Batts, halfback on the James Kenan aggregate, electrified Tiger fans this past week returning a Dixon push 42-yard to pay dirt. Batts scored another Tiger TD on a beautiful 52-yard pass from quarterback Paul Britt. Bobby will really have to be swift this coming week when James Kenan meets Mt. Olive.

James Kenan a 25-0 lead at the half. James Kenan took the score, climaxed with Strickland going over from 2.

Batts electrified a home crowd returning a Bulldog push 42 yards for the third Tiger TD. Strickland, again scored a few moments later on the Bulldog fumble. All Conference Billy Knowles recovered for James Kenan to set up Strickland's third TD in the first half. Quarterback Scotcoe Lockamy threw a 17-yard pass to halfback Mickey Benton to set Strickland's third score in plunging range.

Dixon failed to get beyond their own forty-five in the first half. After a quick touchdown in the opening moments of the third period, Head Coach Bill Taylor gave his reserves the game. Twice the sophomores marched inside Dixon's 10 yard line but penalties set them back.

However, late in the final stage Bobby Pearsall recovered another Bulldog fumble on the Tiger 30. Two plays later, (after fullback Allen Fountain picked up 19 yards) quarterback Paul Britt fired a beautiful 52-yard touchdown pass to Batts. I must comment here, the pass from Britt to Batts was most spectacular.

Standouts for James Kenan along with Strickland and Batts were: Britt, Knowles, Ducky Knowles, Minshew, Lockamy, Walker Bostic and Bill Byrd.

Dixon scored in the fourth on a pass from quarterback Bill Tulley.

The Tigers will be put to test this coming Friday when they tangle with Mt. Olive - how well we remember that game last season and the conference championship.

The Panthers will be ready when James Kenan comes to town Friday. Dave McClenny head coach stated recently, "Mt. Olive has the best backfield we've ever had." Returning to one of the halfback slots is Doug Simmons, a fleet junior who was the Panthers leading pass receiver last season. Fullback Gene Brewer, a dependable runner and big defensive man as well, is back at his old post. A pair of inexperienced but promising boys, Rodney Knowles and Butch Herring, are budding for the spot vacated by Dallas Sutton.

EAST DUPLIN TOPS RICHLANDS

East Duplin struck for two touchdowns in the first half Friday night and they were enough to down Richlands, 12-0.

Jerry Simpson combined with Rickey Simpson on a 53-yard pass play for the first tally in the first quarter. Jerry Simpson ran 38 yards for the other score in the second period.

An 88-yard runback of a pass interception by Richland's Hugh Hargett in the fourth quarter was called back for a clipping penalty.

East Duplin, which squared its record at 1-1.

East Duplin 6 0 0 0-12
Richlands 0 0 0 0-0

SENATOR SAM ERVIN SAYS

WASHINGTON - Foreign Aid, Trade, and Tax bills have made news this week in Congress. The House leadership has announced that the Foreign Aid Appropriations bill will not reach the House floor before September 19 crushing hopes for mid-September. It is understood that House leaders want a full membership present for consideration of this bill. Representative Passman, Chairman of the House Appropriations Sub committee considering the bill, has promised to fight for a substantial cut in the \$4.6 billion requested for military and economic programs in other countries. The measure, if approved in some form by the House, would then face the Senate Appropriations Committee before coming to the Senate floor late in September.

TRADE BILL-The Senate is scheduled to consider the Trade Expansion Bill for 1962 next. This is one of the major bills yet to be acted on. The Senate Finance Committee on August 16 concluded four weeks of hearings on the bill. Following this the Committee spent a number of days "marking up" the bill for presentation to the Senate. The bill passed the House on June 28. Opposition to the House version of the bill has centered over a provision which would aid firms and workers hurt by increased foreign competition by reason of future tariff concessions. Workers hurt by tariff concessions given other countries would get higher unemployment compensation amounts for longer periods than workers laid off because of non-tariff determined unemployment. Observers have pointed out that it would be difficult to determine when unemployment arose because of foreign im-

ports and when it arose for other reasons.
