

# East Central Conference Football Round-Up: \$152 Million Available - Housing Loans

## East Duplin Stumps North Duplin 13-6; James Kenan Romps 50-0 Over Wallace-Rose Hill And Burgaw Stops Chadbourne 14-0; While Mt. Olive Rolls Past Midway 14-0.

**GAMES THIS WEEK, OCT. 5th.**  
North Duplin at Midway  
Burgaw at East Duplin  
Richlands at Mt. Olive  
James Kenan at Stedman

**East Central Standings**

Team	Won	Lost	Tied	Pct
James Kenan	2	0	0	1.000
East Duplin	2	1	0	.666
Richlands	1	1	0	.500
Mt. Olive	1	1	0	.500
North Duplin	0	1	1	.250
Burgaw	0	2	1	.167

The East Duplin Panthers moved into second place in the East Central this past Friday with a 13-6 victory over North Duplin. It makes the third year in a row the Panthers have come back to set the Rebels down in conference play. The Panthers now stand 2-1 behind James Kenan in the strong East Central.

Coach Irvin Dobson stated this week his boys played very well due to the let downs in the weeks past. "Our defense lead by Thigpen (Lomie), Creech (Jackie), Halso (Scotty), and Lanier (Charlie) (that's Rusty's big brother) played the most outstanding defensive game any Panther squad has ever done for me." In other words, "Our boys have done a complete turn about from

the past several weeks." Dobson said, "we do it every year, after the first four games we begin to roll." The Panthers won four straight years before last, starting with the N. D. game and won three and tied one last year following the Rebels.

In the second quarter the Panthers marched 50-yards for their first TD, climaxed by halfback Ricky Simpson scoring from 29 yards out. Simpson took a hand off from quarterback Jackie Sholar and swept end for the score.

East Dup. lead 6-0 until early in the final period when the Rebels got a break on a short anther punt. The Rebs marched down inside the five where back Tommy Tucker scored from the five off tackle. The all-an-important pat was blocked by the Panthers' Lonnie Thigpen.

The Rebels marched deep into Panther territory with about two minutes left in the game. Two fifteen yard penalties against ED put the Rebels very close to the Panther goal line. Quarterback John Charles Rouse rolled out to pass; and Rickey Simpson intercepted deep in the end zone. Rickey wormed his way out to the one yard line. On the next play back Jerry Simpson went wide to the right and 99-yards for the

**JAMES KENAN'S STERN BALL HAWK:** End David Hinson of the undefeated James Kenan Tigers has really come into his own this year. "David, a newcomer has been a definite factor in the Tigers Perfect (5-0) record thus far this season", Coach Bill Taylor admits. Hinson has been a standout on offense as well as defense for James Kenan. Hinson and his teammates travel to Stedman this Friday in a non-conference clash.

winning TD. Gary Harper added the point and ED gained a very important ECC clash.

The Panthers picked up 6 first downs while ND gained 8. East Duplin gained 195 yards rushing and North Duplin had 103. The Panthers completed 2 out of 7 passes for 47-yards and ND completed 2 of 9 for 29-yards. The Panthers intercepted two Rebel passes and the Rebs picked off one Panther pass.

Outstanding on offense for the East Duplin Panthers in their exciting win over North Duplin were Jimmy Kennedy, Joe Jackson, Ricky and Jerry Simpson. Defensive starlets were: Charlie Lanier, Scotty Halso, Jackie Creech, and Lonnie Thigpen.

East Duplin Basketball Coach Billy Bostic announced that the Panthers are interested in scheduling games with Class AA or AAA within 75 miles of Beaufort.

In less than thirty seconds this past Friday night the Tigers of James Kenan had handed the Bulldogs of Wallace-Rose Hill their worst licking in years. It made the third year in a row the Tigers have defeated the nigh-powered Bulldogs. Of course this year helped make up for some of the lean years at the Tiger school. The Bulldogs won the toss and elected to receive. On the first play scrimmage Ronnie Brown's intended pass to back Joe Batts was intercepted by Jimmy Dixon on the 15. Dixon cut to the outside and raced into the end zone for what turned out to be all the Tigers needed to lick the Bulldogs with less than twenty seconds gone in the first quarter.

Moments later the Tigers gained possession of the ball again. Halfback Bobby "Scooter" Batts climaxed the drive racing 46-yards for the TD. The point was wide but the Tigers were rolling. A few plays later JK had the ball once more headed toward the goal line. This time the Tigers hard changing fullback Jimmy Strickland plunged into pay dirt from the five, and Billy Knowles added the pat for a quick 19-0 lead and still in the first quarter.

Here it appeared the Bulldogs began to gain a little strength at the scooter. Batts pulled in a Bulldog pass and raced to the 29-yard line. Two plays later Batts dashed the remaining 22-yards for the TD. The pat was no good but the Tigers were ahead 25-0 at the quarter.

Late in the second period the Tigers chalked up another tally. Quarterback Dixon hit end Johnny Pridden for a twenty-nine yard touchdown pass. The extra point was no good but JK lead at the half 31-0.

In the third quarter the Tiger moved forty-five yards for another TD, climaxed by Dixon cranking over from the 11. In the fourth period, alternate quarterback Paul Britt fired a 30 yard pass to end David Hinson for another TD. Britt, a sophomore with the Tigers, moved the JK team 3 yards on two pass plays with the second for the tally. Dixon passed to Hinson for a 44-0 lead.

Late in the fourth Dixon pranced 31 yards for the final JK score.

The Tigers gained 225 yards in the game while the Bulldogs...

## \$152 Million Available - Housing Loans

An additional \$152 million has been made available for rural housing loans, B. A. Parker, Jr., County Supervisor announced today.

This action makes a total of \$182 million available through the Farmers Home Administration for this type of credit during fiscal 1963. The funds come from the \$480 million authorized by the Housing Act of 1961, to be expended within a 4-year period. Approximately \$95 million was obligated during fiscal 1962. About half of this amount is expected to be used during the month of September to clear up the back-log of applications already on hand. The balance of the funds will be available on a quarterly basis for the rest of this fiscal year. It is not expected that this balance will take care of all new applications; however, the Duplin County Farmers Home Administration office will continue to receive applications, and will process and approve applications as the funds become available.

completed 9 of 23 passes for 70-yards and JK had 5 of 9 good for 143. James Kenan picked up 12 first downs to the Bulldogs 6. Of course with the 5 interceptions by the Tigers and run backs cut the total yardage from scrimmage. Center Billy Byrd, a defensive specialist for the No. 1 team picked-off one Bulldog pass, halfback Batts pulled down two that covered over 30-yards; and Dixon with his best performance this season gathered in two that went for over 60-yards. Four of the five interceptions went for touchdowns.

The sprak for the Bulldogs were Dave Hilliard on defense and Ronnie Brown on offense.

Standout for the Tiers were Ducky Knowles, Billy Byrd, Billy Knowles, Allen Fountain, Walter Bostic, John Pridden, Batts and Britt.

These funds will help 20,000 rural families who do not have adequate housing to obtain credit to finance a new home or improve the home they already own," Parker said.

"The rural housing program is also a driving force in rural areas development. The construction carried on with funds provides work for local carpenters, masons, plumbers and electricians and steps up the sales of building supply dealers and other merchants in small rural communities. The wages received by the workmen and the profits retained by the businessmen are in turn circulated through local trade channels, invested in local enterprises. The effect of the housing dollar is multiplied many times before its force is diminished.

In addition the housing loans are helping to stabilize and strengthen rural communities by creating attractive modern living facilities, the type of house construction that makes communities desirable places in which to live.

"Here again the impact of the program multiplies, for the new homes built with Farmers Home Administration loans provide guide lines to the community in the economical construction of homes. In many areas the construction of these homes has stimulated the investment of private capital in similar types of construction.

"The program has also been highly successful so far as repayments are concerned," Parker said. More than \$417,000,000 has been advanced in rural housing loans since 1949. Principal and interest payments total \$417,000,000. Only \$86,000, or two one-hundredths of one percent have been written off as uncollectible.

Rural housing loans may be used to construct, modernize or repair homes and farm service buildings. They are available to farmers and residents of rural communities who cannot obtain credit from other

## BRIEFS
