Pack Lunches with Excitement

There's good news for the packers of the more than 166 million lunches that are carried from home each week. An exciting new "Thermos" wide mouth vacuum bottle makes it possible to pack tempting lunches that are a welcome change from the routine sandwich. For instance, now you can provide nourishing hot lunches for the man of the family and vitamin-rich salads for the calorie-conscious miss. There'll be no messy leaks either, because this new "Thermos" leakproof wide mouth vacuum bottle has the first and only guaranteed leakproof stopper. The result of many years of product development and research, this new concept in vacuum bottle design is the greatest advancement in vacuum bottles since the introduction of the "Thermos" vacuum bottle in 1907.

Instead of a daily round of sandwich making, now you can have the fun of packing exciting lunches that will have you basking in compliments. Leftover spaghetti, stew or soup and other dinner favorites make wonderful luncheon treats—eat salads, including potato, tuna and sea food, will hold their shape and remain appetizingly cold in this new vacuum bottle.
