Teen-Age Club To Conduct Door-To-Door Collection

Mr. Luke King, Heart Sunday chairman in Cooleeemee announced the following Area Captains for the 1957 Heart Sunday campaign:

Jo Ann Pierce, Bob Schladenesky, Flake Blankenship, Judy Lewis, Sue Dayvault, Jean Booe, Cathy Sheppard.

These captains, members of the teen-age club, will enlist volunteers. These volunteers will ring the doorbells of 15 to 20 neighbors to collect heart fund contributions.

"Most heart Sunday volunteers, previous drives have shown, can complete their house-to-house rounds in approximately an hour, Mr. King said. "Thus, being a heart Sunday volunteer supplies an important service to the community as well as great satisfaction for the investment of relatively little time. "Have your welcome mat out for these volunteers on heart Sunday".

"I'm happy to say that these volunteers look upon the Heart Sunday assignment as a gratifying to promote the welfare of their neighbors, their community and their own families through playing an active role in the crusade against the disease of the heart and blood vessels".

Volunteers will carry to each home a leaflet about heart disease, information about the causes supported by the local heart association, a brown manilla envelope for the contributor, and an addressed envelope to be mailed in to the Heart Sunday chairman by those who were not at home when the heart Sunday volunteers will be identified by wearing the Heart Sunday tag.

Mrs. J. F. Sain remains a patient at Rowan Memorial Hospital.

Woodleaf Hi Gets Y Club

The Young Men's Christian Association of Salisbury and Rowan County announced that the first high school YMCA club had been organized in Rowan County as a part of the Y's Community Youth Program.

This group is the Woodleaf High School Tri-Hi-Y Club which is a girl's organization. The club will meet in the school and will be a part of the school's extra-curricular program. It has 12 charter members, to be expanded later to 20 to 25 members. The club will be kept relatively small so as to afford each member opportunities to participate in all phases of the club's activities.

The officers elected at the organizational meeting were as follows: Della Ann Snider, president; Betty Jane Swaim, vice-president; Glenda Overman, treasurer; Brenda Linn Overman, secretary; Darlene Penning, chaplain. Miss Pansy Hopkins is the adult advisor for the club.

Yancey Watkins, general secretary of the YMCA, said that this is the first club to be fully organized as a part of the program of the newly formed YMCA, and the youth committee plans to have high school YMCA groups organized in at least five county high schools by the end of this school year.

The next clubs to be organized will be at Cleveland, a Co-Ed Hi-Y Club; and at Granite Quarry, a Hi-Y Club.

All YMCA high school clubs will have as their purpose, "to create, maintain and extend throughout the home, school and community, high standards of Christian character," he said. These clubs are also service organizations.

The Hi-Y clubs for boys and the Tri-Hi-Y clubs for girls are being organized on a co-operative basis with the local YMCA and the school making contributions to the total club program. No membership fee is required of participants in the clubs as the entire Community Youth Program is subsidized by the United Fund of Rowan County.

Each club has an adult sponsoring committee which has the responsibility of giving general supervision to all policies and programs. Mr. Watkins said "that Hi-Y and Tri-Hi-Y programs are so adaptable that they have won wide acceptance among school leaders as an excellent supplement to the school's program."

Today there are over 13,000 Hi-Y and Tri-Hi-Y clubs with a membership in the hundred thousands in the United States.

Erwin Chemicals Damaged By Fire

Fire of an unknown origin caused heavy damages to the chemicals stored in the chemical warehouse of Erwin Mills Thursday night, February 14, here. W. R. Wands, general manager of the chemical department, said the loss was heavy, although officials and insurance agents have not completed an inventory. It is not known at this time what caused the fire which broke out around 10 p. m. and was not extinguished until 3 a. m.

The building itself was not damaged.

Firemen were hampered not only by the cold but also by the abundance of gaseous fumes which were created by the blaze. Firemen twice borrowed oxygen from the fire department in Salisbury.

No one was injured. Mr. Wands said dye and other chemicals were stored in the warehouse.

Jerusalem Fire Department was first to arrive at the scene of the fire. They were fortunate to have the two newly purchased air masks which allows the firemen to enter smoke filled areas or buildings. Mocksville Fire Department also used their new truck and their supply of foam, which is now used in fighting many forms of fire. Also helping in the fire fighting was the Cooleeemee Fire Department and the Franklin Fire Department. Two holes were cut in the sides of the warehouse so that firemen could get to the fire.

Cooleeemee Man Hurt In Wreck

Murrell A. Goins of Cooleeemee was injured Monday about 5:30 p. m. when he wrecked his car on the Lebanon Church Road north of Barber Junction.

Highway patrolman E. M. Jones said Goins lost control of the car on a curve. The car went into a ditch on the left side of the road, he said, then across the road and into a ditch on the right, and then re-crossed the road and went down the left-hand ditch until it hit an embankment. The car received \$600 damages.

Goins was taken to Rowan Memorial Hospital where he was admitted and treated for cuts of the face and body.

Farmers Must Have S. S. Number

Farmers subject to self-employment tax must have a social security number in order to receive social security credit, Robert C. Thomas, Acting District Manager of the Salisbury Social Security office said today. He offered the following advice to farm operators who have a net profit of \$400 or more from self-employment from the farm and any other business.

If you do not have a social security card apply for one at your nearest social security office. If you have lost your card, ask for a duplicate card with the same number.

If it is not convenient for you to go to a social security office, you may obtain a blank application at your post office. Fill it out and mail it to the social security office serving your area.

If you already have a social security number, do not apply for another. Use the same number to report any and all earnings.

Your account number must be shown on Schedule F of your income tax return to insure proper credit to your social security account. Failure to furnish the correct number may result in loss of benefits.
