## Davie County Breaks Even In Twin Bill

West Davidson and Davie County split even in a double-header as the two teams opened their basketball season Friday night in the new Davie County High School gymnasium.

The Davie County girls captured the opener, 44-35, while the West Davidson boys evened the score with a surprise 47-43 win in the night-cap.

Glenda Shelton poured in twenty-six points and Kathy Grimes added ten in leading the scoring for the Davie County girls. Snider scored 16 for West Davidson.

Charles Snider, Forbath and Hege each scored 14 points for the West Davidson boys while Chuck Tomlinson and Junior Beal shared high scoring honors for the Davie boys with 11 points each.

G—Lewis	0
G—J. Smith	0

Subs: Davidson — Lanier 5, Davie — B. Seaford 3, Davis 2.

### BOY'S GAME

#### West Davidson (47)

F—Leonard	3
F—Bass	0
C—Hege	14
C—Forbath	14
G—Snider	14

#### Davie County (43)

F—Evans	7
F—Anderson	8
C—Tomlinson	11
G—Parker	6
G—Smith	0

Subs: Davidson — Curry 2, Davie — Beall 11.

## John Grimes On All-State Team

John Grimes of Cooleemee was named last week to the All-State Freshman Football Team of the Big Four Colleges . . . Duke, Carolina, Wake Forest, and State.

Grimes, who played end for the Wake Forest Freshmen, was one of five Wake Forest players selected for this honor. He went 5 yards on a pass play against Clemson to gather honors. The team was elected by the Greensboro Daily News.

Grimes, who is six feet, two inches tall and weighs 201 lbs, is expected to see considerable action next year with the Wake Forest varsity. He entered Wake Forest this fall on a grant in aid after starring for four years in football and basketball at the Davie County High School. He is the son of Mr. and Mrs. J. F. Grimes of Cooleemee.

## Senior Citizens To Meet

On Monday, December 11, at 10:30 P. M. members of the Senior Citizens Club will meet at the Recreation Center. A covered dish dinner will be served following the meeting.

## Local Men On Executive Board

Ed Short was reelected vice president of the Uwharrie Council of the Boy Scouts of America at the 34th annual banquet held at the Wesley Memorial Methodist Church in High Point last week.

Re-elected as president of the council was J. Alvin Philpott of Lexington. R. Earl Wagoner of China Grove and James E. Lambeth, Jr. of Thomasville were also re-elected vice presidents. Other officers re-elected included H. R. Williamson of High Point, treasurer; James R. Mattocks of High Point, assistant treasurer; and C. W. Grubb of Salisbury, council commissioner.

Carroll F. Arndt of Mocksville received a plaque for his volunteer work as retiring chairman of the Davie District.

Named from Davie County to membership on the council executive board were: C. E. McCoy, Everette E. Gales, C. D. Jamerson, George W. Rowland, W. J. B. Sell, Grady Ward, Peter W. Hairston and Edward L. Short.

Speakers at the event were G. R. Pirrung, Chairman of Region Six, Boy Scout of America, and B. W. Hackney, Jr., of High Point Uwharrie Council Executive.

## Social Security News

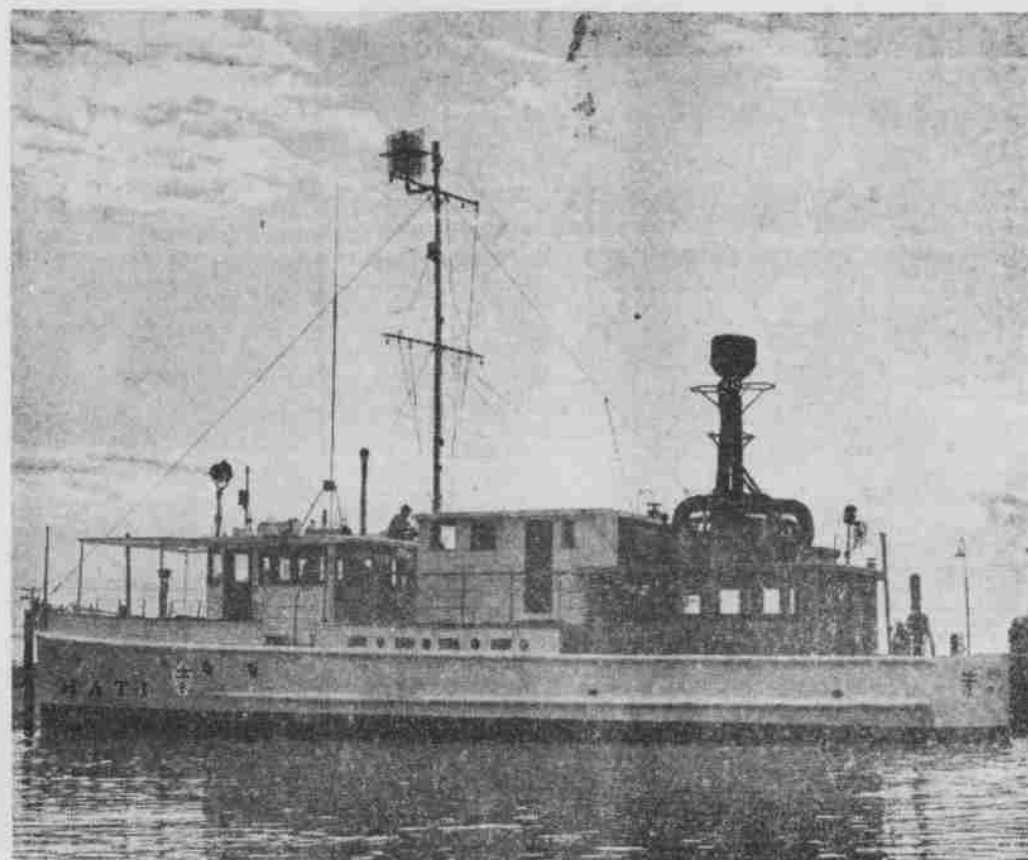

"Some disabled workers may be losing benefits payable under the social security law because they haven't filed an application for them," said James P. Temple, Manager of the Salisbury, N. C. District Social Security Office.

Temple pointed out that before a determination can be made as to whether or not a worker can become eligible to receive disability insurance benefits, he must file an application.

The social security manager cited the case of Willard Johnson (although that's not his real name), who was injured in a highway accident in July 1960. Mr. Johnson, who was 36 years of age at the time of the accident, hasn't been able to work since. He was a wife and 4 young children and had worked under social security for several years just prior to the accident. "To make a long story short," Temple said, "Willard Johnson his wife and their four children are now receiving disability insurance benefit payments which began six months until a neighbor suggested that he check his status with the social security office. The folks there were glad to assist him in filing his claim."

According to Mr. Temple, disability insurance benefits may be paid to a worker under age 65 who meets the employment and disability requirements of the law. "As in the case of the Willard Johnsons, a claim for these benefits must be filed. If a claim is not filed at the proper time, the disabled worker and his family stand to lose benefit payments. A kindly neighbor may not be near to advise as in the Johnson case. Therefore, the best plan to avoid the risk of losing payments is for the worker to get in touch with the social security office as soon as possible after he becomes disabled," Temple said.

Mrs. Boyce Whitener of Mocksville is a patient at Davie Hospital.

The HATI, a former YP patrol boat, has been donated by the U. S. Navy for use in a large-scale human evaluation study of two anti-tuberculosis vaccines. To be conducted in the District of Jeremie, Haiti, the study is under the auspices of the Haitian-American Tuberculosis Institute (H.A.T.I.) which was organized to carry out the study by a group of North Carolina scientists and the Republic of Haiti. The two vaccines are the potentially superior R1, developed in the research department of the N. C. Sanatorium System, and the best of several BCGs, a widely used anti-tuberculosis vaccine. Dr. H. Mac Vandiviere of Chapel Hill is the American co-director of H.A.T.I. The American sponsor is the North Carolina Tuberculosis Association, a Christmas Seal supported agency. The full scale program can be launched as soon as \$70,000 is in the H.A.T.I. fund—the amount needed for the first year of the five-year program. The HATI is slated to make a preliminary voyage to Haiti this month.

## Negro High School Rescinded Action Changing Name Of

The Davie County Board of Education in their regular meeting Monday voted to rescind its action of November 6th changing the name of the Davie County Training School to Montgomery High School.

The action came following a request of the advisory committee of the Davie County Training School not to name it the Montgomery High School. Members of the advisory committee met with the Board of Education, Monday.

Further study will be made and a new name for the school will be chosen prior to the opening of school next fall. For the remainder of the year the school will go under the name of Davie County Training School.

## Civic Club Has Christmas Party

On Tuesday evening, the members of the Cooleemee Civic Club and their husbands held the December meeting at the Chanticleer Restaurant near Salisbury. Twenty-three were present. Mrs. George Schladensky and Mrs. A. J. Tokarz were hostesses for the evening and decorated the tables with red candles and Christmas greens. The meeting was opened with a welcome by the President, Mrs. John Spargo, and the blessing, after which a menu of turkey with all the trimmings was enjoyed.

The program for the evening was under the direction of Mrs. W. R. Wands and Mrs. C. N. Rabold. Several songs were given by a quartette from the group consisting of Frank Seders, Bill Bowen, A. J. Tokartz and George Schladensky accompanied by Mrs. Frank Seders on the auto-harp. The hostesses presented each person with a red Christmas stocking filled with gifts. At the close of the meal, the group sang "Silent Night" and played Bingo. During the evening, dancing was enjoyed by recording music.

## Veterans Administration Information

Here are authoritative answers by the Veterans Administration to questions from former servicemen and their families:

Q—Is it too late for a disabled World War II veteran to receive vocational rehabilitation?

A—Disabled World War II veterans must have completed their vocational rehabilitation by July 25, 1960, except in cases (a) where the veteran was too seriously disabled to have begun earlier, (b) in cases where the veteran received an original discharge barring him from training, but whose discharge later was changed to make him eligible, or (c) in certain cases where the veteran was late in establishing his service-connected disability.

Q—What is considered wartime service during World War I?

A—Service between April 6, 1917, through November 11, 1918. For those who served with the U. S. Military Forces in Russia, the period is from April 6 1917, through April 1, 1920.

Q—I have a GI loan. Can I get an amortization table from the VA so I can keep track of my interest balance, etc., to facilitate my financial planning?

A—No, the VA does not have these tables. You might consult your lender.

Q—How many U. S. troops were killed in World War I as compared with World War II?

A—There were 131,000 deaths in service during World War I. Deaths in service in World War II totaled 409,000.

## Davie Plays S. Rowan Fri. Night

Davie High School cagers split two games with West Davidson on Tuesday night at the West Davidson gym.

The Rebelettes took a thrilling 43-42 victory over the West Davidson girls in an extra period, while the Rebels came out on the short end of a 57-40 score in the night-cap.

Davie will meet the South Rowan High School here Friday night at the high school gym. The girls game will begin at 7 P. M.

## Second Annual Carol Sing

The Cooleemee Garden Club have plans underway for the Second Annual Community Carol Sing on Thursday, December 21st at 8 P. M. It will be held on the grounds of the Recreation Center around the lighted Christmas tree. The public is invited and all congregations and choirs of the neighborhood Churches will participate.

So, plan to be there that night.

## Fund For Retarded Children

The Davie County Chapter for Retarded Children received approximately \$500 from the Arthur Smith Talent Show conducted last Saturday night at Mocksville School Auditorium.

## LOCAL PEOPLE

Mrs. Tullie Alexander of Cooleemee accompanied relatives from Kannapolis to the Shrine Football game in Charlotte on Saturday.

Mrs. J. B. Beck and Mrs. Margaret Saunders went to Lancaster, South Carolina on Wednesday to attend the funeral of their brother-in-law, C. W. Jordan. He was married to the former Mrs. Maude Stewart.

## Cooleemee Telephone Company Offers Additional Expanded Service

### Paul B. Blackwelder, Dies At 50

Paul Bruce Blackwelder, 50, of Mocksville, died at 2 P. M. Tuesday at Baptist Hospital in Winston-Salem.

He had been in critical condition at Baptist Hospital two weeks following a cerebral hemorrhage.

He was owner and operator of Twin Brooks Farms, distributors of Sealtest dairy products in Davie County.

He was a director of the Northwest North Carolina Development Association, a director of the North Carolina Dairy Foundation, a director of the North Carolina Guernsey Breeders Association and a director of the Mocksville Savings and Loan Association.

He was past president of the Mocksville Rotary Club and a former member of the Mocksville School Board.

He was an elder of First Presbyterian Church in Mocksville.

He was born in Davie County to H. F. and Stella Hunter Blackwelder.

Surviving are his wife, the former Miss Fannie Gregory; a daughter, Miss Louise Blackwelder, a student at Queens College in Charlotte; a sister, Mrs. Carl Jones of Mocksville; and two brothers, H. F. Blackwelder Jr. of Mocksville, Rt. 5 and Clyde W. Blackwelder of Burlington.

The funeral was conducted at 2 P. M. Wednesday at the First Presbyterian Church by the Rev. Robert White, the Rev. Edd Avette.

Burial was in Rose Cemetery.

## Pontiacs Named For Darlington Race

Darlington, S. C. Dec. 7—Two 1962 stock Pontiacs have been chosen as the cars that will make the attempt on the existing 24-hour records at Darlington Raceway this week.

Ray Nichols, whose firm the Nichols Engineering Company will sponsor the lengthy speed runs, said today the two cars will be completely stock-equipped including mufflers. Roll bars will be installed in the cars and wheels strengthened as safety measures.

The six drivers three from NASCAR and three from USAC will alternate driving both cars. Sleeping quarters will be established in the pit area so the drivers can rest during the long ordeal.

Motors will be the standard 389 cubic inch power plant that is available in all series Pontiacs. Regular pump gasoline and parts will be used.

Pit stops are planned for every two hours.

The records both cars will aim for is 2,586 miles, set at the Indianapolis Speedway last month, and 2,438 miles established at Darlington in 1956 by a Chevrolet team of five drivers.

The drivers who will make up the Pontiac team are Joe Weatherly, Marvin Panch and Fireball Roberts of NASCAR. Roger Ward, Paul Goldsmith and Len Sutton, Indianapolis drivers will represent the United States Auto Club.

Extended Area Service can now be made available for telephone customers in the Cooleemee and Mocksville exchanges through an agreement that has been reached between the Cooleemee Telephone Company and the Central Telephone Company, announces Mr. I. H. Huske, General Manager of the Cooleemee Telephone Company.

Extended Area Service in this area makes it possible for the telephone subscriber to dial his own calls into Mocksville, thus eliminating the present toll charges. The subscriber can talk as often as he wishes, and talk as long as he wishes without having to pay any toll charge.

A recently completed study, made by the Cooleemee Telephone Company and the Central Telephone Company makes this service available. Such a study was requested by numerous interested parties, both in Cooleemee and Mocksville. The N. C. Utilities Commission has approved this service and has authorized the Cooleemee Telephone Company and the Central Telephone Company to conduct a poll of their customers to determine if the majority of them desire to have the Extended Area Service. All the subscribers of the Cooleemee Telephone Co. will be contacted immediately either personally or by mail and given the opportunity to express their wishes concerning the Extended Area Service through a ballot which will be circulated to them.

If the planned Extended Area Service is approved by the Cooleemee and Mocksville subscribers, it will enable the Cooleemee Telephone users to have access to approximately fifteen hundred (1500) phones in the Mocksville area on a local basis, with the present toll charges between these points eliminated, says Mr. Huske.

It is expected that this service can be provided in about fourteen (14) months after the vote has been taken, if the Extended Area Service is approved by Cooleemee's and Central's customers.

In order to obtain Extended Area Service due to the cost of providing facilities for the same, it is necessary for the monthly telephone rates in Cooleemee to be increased. The new rates for Cooleemee subscribers will be as follows:

### BUSINESS SERVICE

1 Party	\$7.50
2 Party	\$6.00
4 Party	\$5.00
Rural	\$5.00

### RESIDENCE SERVICE

1 Party	\$5.75
2 Party	\$4.50
4 Party	\$3.75
Rural	\$3.75

Mr. Huske states that the Extended Area Service plan is another progressive move by the Cooleemee Telephone Company to further enlarge and improve the Cooleemee subscriber's facilities. The new service would not only enable business establishments to contact more people but it would also make it possible for residential subscribers to contact friends, relatives, families, business and professional people in the Mocksville area without a toll charge.
