Local Girl Is Teacher In Winston-Salem

Elizabeth Josephine Lewis, daughter of Mr. and Mrs. A. T. Lewis living at 29 Center Street, Cooleeemee, N. C. is now doing student teaching at R. J. Reynolds High School, Winston - Salem, N. C.

Miss Lewis is taking part during the fall quarter, September 9, 1965 through November 24, 1965 in the student teaching program of Appalachian State Teachers College, Boone, North Carolina. In this program students devote approximately twelve weeks to student teaching in the field for which they have been preparing. Miss Lewis is teaching Health and Physical Education under the supervision of Mrs. Violet Nichols. As part of the Student teaching program, the Appalachian student usually lives in the community near the school and participates in community activities as well as in school activities. The student devotes full time in the school and gradually takes over the full teaching load, always under the supervision of the supervising teacher and the principal. The local school participation with Appalachian's student program is a valuable asset to the general education program of North Carolina.

Jo Lewis graduated from Davie County High School in 1962.

Local Man In Hurricane Area Last Week; Wierd Experience

THE QUICK WAY DOWN

Last week the Journal used an old picture of the mill which brought back a lot of memories to some of our older citizens of Cooleeemee and vicinity. Johnson Ijames, who has served many years as a faithful employee at the Cooleeemee School building, recalls an incident which happened to him.

As automobiles began to be a little more plentiful, the parking lot in front of the mill was being cleared for more cars. It seems that Johnson was to go up in a large tree, to tie a rope around the top, so that it would be pulled over by an old model crawler that the mill company owned at that time.

Just as Johnson made his way into the top of the tree with a long rope, and the crew below, including Mr. Jerry Ijames, Buddy Alexander and others, were waiting for him to throw the other end of the rope down to them, the whole tree, which was without any roots, crashed to the ground. Everybody below scattered. Johnson rolled out of the three top as it hit the ground, unhurt but shaken up a bit.

Davie Beats Belmont 33-0 In Good Game

Davie High Rebels opened their season Friday night against a favored Belmont High and promptly set out to prove they would be the team to reckon with in the North Piedmont Conference this season. As the saying goes the Rebels came to play and there was never any doubt from the opening kick-off as to the outcome of the game.

Coach Jack Ward had his charges superbly conditioned and the heat was a factor against Belmont. The Rebels led by Quarter - back Earl Shoaf took the ball the first time they got the ball and marched down the field with David Robertson going over for the first score. From then on we had a continuous parade of scoring with Robertson scoring another TD, Randall Ward, Donald Beck, and Garland Allen scoring one touchdown each. Garland Allen had the most spectacular run scoring from about thirty-five yards out. He was slowed by tacklers but through excellent blocking and hard running he broke across the goal for the score. The player that should receive a lot of credit, but did not score was Earl Shoaf. He handled his plays well and his deception was something to see. Despite the hard hitting game none of Davie's backs fumbled a single time. This was due to good ball handling. Another player that deserves a lot of credit but did not score was Nayrex Barnhardt. He consistently ground out short yardage when they needed it for a first down but his value could not be measured in his running. He was invaluable with his blocking. Time after time he cleared the path for the backs with his deadly blocking. It would be hard to single any individual in the line play. They played a hard charging, hard blocking type of football. Led by Edgar Osborne, Ronnie Spry, Tony Steel, Ronnie Foster the line after time stopped Belmont's ground attack.

The coaches and players are to be congratulated for their fine efforts in playing the type of football the fans of Davie High want to see.

Mr. and Mrs. J. C. Boyce of Spartanburg, S. C. returned home Wednesday after spending a week visiting their son and family, Mr. and Mrs. Jesse Boyce.

Iowan Fair Opens Monday in Salisbury

SALISBURY—The Rowan County agricultural and industrial fair opens Monday or its 13th annual one-week run.

Couch and Son Purchase Shop In Asheboro

Dewey Couch of Route 4, Mocksville, and his son, Jerry Couch, of Salisbury have purchased the Causey Machine and Welding Shop in Asheboro. They will be open for business there on Monday, September 20.

Charles Richard Ward, who lives at 20 Duke Street, Cooleeemee, and is a truck driver for Johnson Motor Lines of Charlotte, was in New Orleans, La. last week when Hurricane Betsy hit that city. His partner, Jim Knowland of Charlotte, was with him on the same truck. They had their truck parked at a terminal and the two men were spending the night at a nearby motel, when water arose up to the mattress on their beds.

They got up in the window sill of the motel until they decided to try to get out. It just so happened, that they had two flashlights. Richard and Jim helped awake other guests by knocking on their doors.

Mattresses, televisions, and furniture was covered by the water and they had to wade across a 6-lane highway, up to their necks in water, to get aboard an army truck, which carried them to a balcony in a nearby Catholic Church. Richard said that snakes and fish were in the water and a large Water Moccasin came in the church where the people were and someone killed it.

They were allowed to make one call to notify their people. Mr. Knowland called his wife in Charlotte and she in turn called Mrs. Ward to let her know that her husband was safe.

Later, when they finally got back to the truck terminal, they came out in deep water with the truck, which sank, kept running despite the high water.

It proved to be very interesting as well, judging by the many questions asked by so many members. Mr. Taff McCoy from the Social Security Office in Salisbury was our speaker. His topic: Medicare. Because of recent changes in the laws, several members were assured of more benefits through their Social Security.
Mr. J. G. Crawford, from the book of Timothy, read

Cooleeemee Civic Club

a devotional reading, making comments as he read.
Sixty-eight persons were present including one guest, Mrs. W. M. Miller of Tampa, Florida.
It was reported that two of our members, Mr. Lindsey Head and Mr. Ben Jordan were hospitalized and Mrs. Mary Daniels was ill at her home on Erwin Street, also Mrs. Nora Riddle at her home.
A nominating committee composed of J. G. Crawford, Fred Pierce, Mesdames Tullie Grimes, Ella Foster, and Frank Penninger was approved by the president. An invitation was read from the Golden Age Club of Spencer inviting our club to meet with them on Friday, September 24, for their regular meeting and a picnic lunch. The invitation was graciously accepted and about fifty members plan to attend.
We had one new member, Mrs. Pearl Barbee.
