the highest accreditation a hospital can achieve.

The description "Accredited by the Joint Commission on Accreditation of Hospitals" is highly valued by those hospi-tals that have attained the states of the Union are represented in the current East carolina College student body

Paul Neil, Davie Hospital, Administrator, said that the staff of the local hospital was very proud of this achieve-

"To the hospital itself, at-tainment of accreditation means assurance that it is providing high quality care for its patients" said Mr.

Mr. Neil pointed out that Mr. Nell pointed out that accreditation to the public means better hospital care provided by a competent staff using adequate diagnostic and therapeutic equipment. To the physician it means assurance of as efficient physical plant, good diagnostic and therapeu-tic equipment, and qualified technical personnel for the care of his patients; it also means proper recording and indexing of all case records, educational and research opportunities, and the satisfac-

tion of being on the staff of an approved hospital. "The joint commission on accreditation can make three decisions. It can refuse accreditation; it can give accreditation for one year; or it can give accreditation for three years. Inasmuch as our hospital was accredited for three years we feel very proud "says Mr. Neil three years proud," says says Mr. Neil.

Mrs. Mary Tucker and daughter and granddaughter of Elkin, N. C. were Sunday guests of Mr. and Mrs. Ran-som Dudley at their home on Duke St.

Anderson, director of the project, suggests that requests for any of these films be made at your public library at least two weeks prior to the time they will be used. These films are not aor to the time they will be used. These films are not a-vailable for use in the pub-lic schools. This is a free pub-lic library service, the only charge being for the postage.

High Paying Available In Forestry Now

High paying 1 0 bs await graduates in wood technology, and the demand far exceeds the supply of people. Dr. Eric Eftwood, who heads the Dept. of Wood Science and Technology at N. C. State University, told of booming opportunities in this field at the summer meeting of the N. C. Forest Industries Committee and Tree Farm field at the summer meeting of the N. C. Forest Industries Committee and Tree Farm Committee. "We've had 15 times the job inquiries this year at the department than the graduates available," said Dr. Ellwood. "The average pourth has an excellent experience."

The summer meeting books for Christmas gifts will find "Books on Exhibit" help-ful.

He is the son of Mr. and Mrs. Ernie Foster of North Main Street and is a member of Oak Grove Methodist Church. He is married to the former Jane Poston and he and his wife live on Sanford Ave. Ext.

Loses To Davie

MOORESVILLE -- Davie Ccunty High's Rebels estab-lished themselves as the team to beat in the North Piedmont Conference race by edging by Mooresville High 13-7, here

a 7-0 lead in the second quar-

yard plunge and Steve Bran-non booted the extra point.

Donald Beck scored the winning touchdown in the final quarter on a dramatic 42-yard run. The pass for the extra point was not good.

A sterling effort by the Da vie defense contained Moore-sville time after time when it threatened. The Blue Devils' most serious threat came in the third quarter when they were stopped on the one-yard

The win was costly for Davie as Mayrex Barnhardt suffered a broken arm. Beck was the leading ground gain-er for Coach Jack Ward's

Mooresville compiled 11 first downs, while Davie got six. The Blue Devils went to the air lanes nine times and completed five. Davie made good on two out of three pass atempts.
The win increased Davie's

perfect mark to 3-0. It was the Rebels first conference outing. Mooresville is now 1-1 in NPC activity and 2-1 over-
